*Proceedings of the Madras Government, Financial Department,
9th September 1862.*

No. 15. Read the following Proceedings of the Board of Revenue, dated 26th August 1862, No. 5,660.

Read letter from B. CUNLIFFE, Esq., Collector of Madras; to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, dated Saidapet, 15th August 1862, No. 293.

The Civil Paymaster having refused to pass the Bill for lighting the Marmalong Bridge, on the ground that the sum out of which the charge is to be defrayed (referred to in the Order of Government, dated 14th July 1862, No. 515) has been disallowed by the Government of India, I have the honor to request that, as the cost cannot be met from reductions in the charges entered in the Budget of this District, you will inform me whether the lighting of the Bridge should be discontinued, and if not, how the cost incurred for the last four months is to be defrayed.

1. Ordered to be submitted to Government, with reference to their Order, dated 14th July 1862, No. 515.

2. It appears from paragraph 30 of the letter from the Government of India, dated 21st June 1862, No. 4,089, that the provision of Rupees 25,000 on account of unforeseen contingencies has been excluded from the Budget without any reason assigned.

3. The Collector will be instructed to include the cost of lighting the Marmalong Bridge in the Supplemental Budget, which he has been called upon to submit to the Board.

4. The Board request that authority may be granted to defray the charge under the head of Advance, to be adjusted after the receipt of the sanction of the Supreme Government to the Supplemental Budget.
