*Proceedings of the Madras Government, Financial Department,
12th September 1862.*

No. 30. Read the following letter from Lieutenant Colonel W. G. WOODS, Adjutant General of the Army; to the Secretary to Government, Military Department, dated Ootacamund, 20th August 1862, No. 372.

With reference to Proceedings of Government in the Financial Department, No. 574, dated 5th August 1862, referred to the Commander-in-Chief by the Military Department, under date the 7th August 1862, I have the honor by order to inform you that His Excellency is of opinion, that the retention of a Military Guard at the Mint is expedient.

*1 Native Officer.
1 Havildar.
2 Naigues.
18 Privates.

2. Lieutenant Colonel Orr, the Mint Master, thinks that the Police in whose charge the Mint may be placed should be supported by a small party of Troops, and the Commissioner of Police considers that the detail noted in the margin* would be quite sufficient.

Lieutenant General Sir J. Hope Grant concurs with the Commissioner that a party of the strength named is a sufficient Military protection under ordinary circumstances.

3. The strength of the Military Guard now proposed by Colonel Orr and concurred in by Lieutenant Colonel Wilson, is, it will be observed, in accordance with that suggested by Major General McCleverty in his letter recorded in the Proceedings of Government Financial Department, No. 90, dated 20th February 1861.

Transferred to the Financial Department with reference to Proceedings in that Department No. 574, dated 5th instant.

Secretary to Government.
