No. 32. Read the following Proceedings of Government in the Revenue Department, dated 4th September 1862, No. 1,876.

Referring the Proceedings of the Board of Revenue, dated 29th August 1862, in view to the necessary sanction being obtained from the Government of India to the Budget Estimates of the Receipts and Charges in the Revenue Department on account of the Cundapoor Taluq transferred from North to South Canara. (Vide Proceedings Revenue Department, dated 4th September 1862, Nos. 48 and 49.)

No. 33. To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 15th September 1862, No. 665.

I am directed by the Governor in Council to forward, for submission to the Government of

From the Acting Accountant General, dated 14th August 1862, No. 159.
From the Board of Revenue, dated 29th August 1862.

India, copies of the communications noted in the margin, with the Budget Estimate for 1862-63 for the Cundapoor Taluq, lately transferred from North to South Canara

when the former District was ceded to Bombay.

2. The receipts of this Taluq are estimated at Rupees 3,79,110, and the charges at Rupees 77,205. The provision made in the Estimate furnished by the Accountant General under "Law and Justice" for the Moonsiff and his Establishment being on the old scale, this Government have raised it from Rupees 2,040 to Rupees 3,430 to meet the increase under the revised scale sanctioned by the Supreme Government on the 15th April 1862, No. 2,905, Financial Department. It should be observed that the District Moonsiff of Cundapoor was excluded from that sanction because it was then supposed that the above Taluq would be included in the District of North Canara as transferred to the Government of Bombay.

3. The estimated receipts and charges of the Cundapoor Taluq having already been included in the Budget for North Canara, I have to request the sanction of the Government of India for the transfer of such sums as are provided under the several heads from the corresponding heads in the Estimate of that District. The addition made to the item referred to in the preceding paragraph, is Rupees 1,390, and for this sum sanction is also requested.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from H. A. MANGLES, Esq., Acting Accountant General, to T. PYCROFT, Esq., Chief Secretary to Government, Revenue Department, dated Fort Saint George, 14th August 1862, No. 159 :—

SIR,

1. With reference to the Order of Government in the Revenue Department, No. 862, dated 17th April last, I have the honor to transmit herewith the Budget Estimate for 1862-63 on account of the Condapoor Tálug lately transferred from North to South Canara, when the former District was ceded to Bombay. The estimated receipts and charges of this Tálug have already been included in the North Canara Budget, and consequently application should be made to the Government of India for the transfer of such sums as are provided under the several heads from the corresponding heads in the Budget Estimate of North Canara. In preparing the Budget Estimate in question, the revised classification of heads has been adopted, while the North Canara Budget was prepared according to the old classification. The amount provided under B IV Miscellaneous Payments, and F VII Superannuation and Retired Allowances and Gratuities for Charitable and other Purposes in the former estimate, will have to be met from the provision made in the latter under BI 10 Miscellaneous, and BI 9 Superannuation and Retired Allowances.

2. I beg to mention that the charges estimated on account of the pay* of the Village Establishment are excluded in the Budget in question, as no provision was made in the North Canara Budget on that account. The Board observe in their Proceedings No. 4,934, dated 30th ultimo (copy of which is herein enclosed), that a Supplemental Budget Estimate should be submitted to the Supreme Government for the charge in question as it must be met from Imperial Funds, there being no separate fund established in this or any other District for the payment of Village Establishments, but I have postponed the submission of the Supplemental Budget for the Condapoor Tálug as similar charges have been omitted to be provided for in other Districts, viz., Tanjore and Malabar. The Board have been requested to furnish me with a complete estimate on this account; and so soon as it is furnished it will be forwarded to you for transmission to the Government of India.

3. I beg further to inform you that other alterations have been made in this Office, viz., the amounts† noted in the margin have been transferred from BI 1 Land Revenue including Sayer and Abkarree, to F II Salaries and Expenses of Public Departments, and F III Law and Justice, respectively.

REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Board of Revenue, dated 29th August 1862:—

Read Government Order, dated 23rd August 1862, No. 1,792.

(In Cons. 25th August 1862, No. 5,412.)

1. The Budget Estimates of receipts and charges in the Revenue Department, as submitted to Government by the Accountant General, correspond with those forwarded by the Board to that Officer, with some alterations in the classification of heads. The amount estimated on account of the pay of the village establishment has been properly excluded in the Accountant General's Budget, as no provision was made in the North Canara Budget on that account. A Supplemental Budget will be submitted for this and the establishments of other Districts, as already reported in the Board's letter to Government, dated 23rd August 1862.

2. The Accountant General having included the cost of Police Guards, &c., the Budget estimates as submitted by him are complete, and the Board have no remarks to offer on them. They accordingly resolve to return the estimates received with the Order above recorded in view to the necessary sanction being obtained from the Government of India.

ORDER THEREON, 4th September 1862, No. 1,876.

Referred to the Financial Department together with copy of the letter from the Acting Accountant General, dated 14th August 1862, No. 159, in view to the necessary application being submitted to the Government of India. The Government observe that the provision made in the Budget under "Law and Justice" for the Moonsiff and his establishment, is on the old scale. They have raised it from Rupees 2,040 to Rupees 3,430 to provide for the increase under the revised scale sanctioned by the Government of India in the Order, dated 9th May 1862, No. 2,376.

4 With reference to the concluding paragraph of the Board's Proceedings, I beg to observe that previous to their receipt the account current for April for the whole Collectorate including Candapoor, was prepared and just about to be transmitted, when it was found not to be in accordance with the instructions of the Board; fresh accounts from the Talukhs were therefore called for, and the accounts current are now under preparation for transmission to the Accountant General Madras, and Deputy Auditor & Acct. Genl. Bombay, to whom I concluded the account current for the second fortnight should be forwarded. I beg to inform the Board that I have not been favored with any instructions from the Accountant General from.

S. Rushington, Esq., Acting Accountant General, to the President and Members of the Board of Revenue, Madras, dated 6th May 1862, No. 74.

9
have the honor to request that you will be good enough to favor me, after revision, with the Budget Estimate, which it is stated in the above Proceedings, the Coll^y of South Cananda has been called upon to furnish you with.

2. As regards the charge of the Village Establishment alluded to in the 2^d Paragraph of your Proceedings under reply, I beg to state that provision to the rate of Rs. 28677 appears to have been made on that account in the Budget Estimate of the Coll^y of North Cananda, which was reduced to Rs. 8856, as will be seen from the enclosed Original Estimate of the Collector: whether this alteration was made in your Board's Office, or in that of the Government does not appear, but the Government have more than once observed that the charge ought not to appear in the Budget at all, as it is an item of local, and not of imperial charge, and should be met from the funds raised by the assessment and enfranchisement of Immans of Village Officers, and by the levy of a cess in commutation of fees. Under these circumstances it appears unnecessary to submit a Supplemental Budget for Rs. 5390 alluded to in the above paragraph.

1. With reference to the Proceedings of the Board, dated 29th April last, No. 2708, I have the honor to forward the Budget Estimate of Miscellaneous for 1862-63 for the Condapoor Taluk.

2. I have found it necessary to alter, in some respects, the estimate as furnished by the North Canara Collector; and such modifications are shown in the remarks placed against the several items.

dated 1st July 1862, No. 1362.

I have the honor to acknowledge the receipt of your letter dated the 30th ultimo, transmitting a copy of the Budget Estimate of charges for 1862-63 for the Taluk of Condapoor, and to request you with regard enough to state, in the reference to the 2^d Paragraph of Mr. Lushington's letter, dated the 8th May last, No. 113, whether you have included in your Budget Estimate to all the Charges of the above Taluk, except Police charges, in which account an estimate has been called for, and received, from the Insp. Genl. of Muzissil Police. Mr. Lushington states his reasons in the paragraph above alluded to, for asking you to estimate for all charges except Police, and as you are in Council, I send a copy of his letter for ready reference. In the event of any charge having been omitted to be estimated, you will be good enough to supply the omission with the least practicable delay, furnishing the Bd. of Revenue at the same time with

a Memorandum of the same.

From A. P. Hodgson, Esq., M. Collr. of N. Canara; to W. Huddleston, Esq., Secy. to the Bd. of Revenue, Madras, dated Mangalore, 11th July 1862, No 56.

1. As promised in my letter of the 20th ultimo, No 47, I have the honor to forward the Budget Estimate of Receipts of the Candapor Saluk for the Current Official Year, as furnished to me by the Collector of North Canara.

2. I beg at the same time to forward an Estimate of Charges connected with certain Departments, which the Accountant General has directed me to submit separately to him, furnishing the Board with a copy of the same.

Enclosure No 1.

Abstract - Budget Estimate of receipts of the Candapor Saluk for the year ending 30th 1863.

Enclosure

Enclosure No 2. Supplemental Memo

1. In this Order dated 17th April 1862, No 862, the Government desired the Board to communicate with the Accountant General and procure Budget Estimates for the Saluk of Candapor lately attached to N. Canara for the Official Year 1862-63. These estimates having been received from the Collr. of N. Canara and undergone the necessary examination and revision, the Board resolve to forward them to the Acct. General, and to request that he will furnish them with a complete Budget including the charges for the new Police and for the Guards supplied to the Saluk Treasury and any other charges he may find necessary for submission to Govt.

2. The Board observe that no distinction was made in the Budget Estimates for the Village Establish of N. Canara. The Collector of that District included the Village Establish under the head of Saluk Establish, and as the amount under that head appeared excessive, and as there were no means of detecting that the Village Establish were included in it, the apparent excess was struck out in the Board's Office. Thus the District of N. Canara was left without any provision in account of Village Establish; and the sum of Rs 5851 was provided in the Candapor Budget in account of that Establish cannot be considered as available by

transfer

transferred from the N. Canara Budget. As
already observed by the Board, in paragraph
2 of their Proceedings dated 29 April 1862,
No 2708, a Suppl^y Estimate must be sub-
mitted to the Supreme Govt for the change
in question, and the Collr of N. Canara
must follow the same course for his District
through the Bombay Authorities.

3. The Acct^y General seems to be under
the impression that the Village Establish-
ment can be paid from the Village Service Funds,
but the Board observe that no such Fund
has yet been established in N. Canara, or in
any other District. The Charge for the whole
Village Establish^t of this District has to be
met from General Funds, and the provision
now made on that account is therefore
absolutely necessary.
