*Proceedings of the Madras Government, Financial Department,
4th October 1862.*

No. 5. Proceedings of Government, dated 4th October 1862, No. 697.

In their Proceedings of the 28th July last, No. 548, the Government observed, in reference to a communication from the Manager of the Agra and United Service Bank, that all the stations named in the margin had been fixed upon by the Directors of the Bank of Madras for the establishment of Branch Banks, but as yet arrangements had been made by them for opening a Branch Bank only at Cochin. The Government resolve therefore to request the Accountant General to ascertain from the Directors of the Bank, whether they intend (with the permission of the Secretary of State for India), to set up branches at any of the other places which they have named in their letter of the 8th January 1862, and if not, whether any other Banks would be disposed to establish branches at any of those Stations, if the permission of the Secretary of State were granted.
