*Proceedings of the Madras Government, Financial Department,
6th January 1862.*

No. 7. Read the following letter from F. LUSHINGTON, Esq., Acting Accountant General ; to T. PYCROFT, Esq , Chief Secretary to Government, Public Department, Fort Saint George, dated 19th December 1861, No. 255:

Budget and Finance Department.

I have the honor to state that in estimating Superannuation Pensions of the Establishment under their control, some of the Officers who have furnished me with Budget Estimates for 1862-63, have estimated the total amount of Pensions as they stood up to date, while others have added to the amount on account of Pensions which, it is assumed, will be granted during the course of next year.

2. The Government of India have, however, ruled that the amounts of grants under the several Budget heads shall in no case be exceeded, except in case of Pensions and Gratuities, the occasions for which cannot be accurately estimated and certainly provided for in the Budget Estimates ; and as there will be lapses in Pensions, the amount of which will more or less cover new grants, it does not appear to me necessary under these circumstances to provide prospectively for new grants, and beg to be favoured with the Orders of Government on the subject for my guidance.

An early reply is solicited.

No. 8. ORDER THEREON, 6th January 1862, No. 6.

The Government concur in opinion with the Accountant General that, under the circumstances stated, it is not necessary to provide for new grants of Pensions and Gratuities.

(Signed) T. PYCROFT,
Chief Secretary.
