PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from W. J. RAYNOR, Esq., Officiating Civil Paymaster, to Colonel W. I. BIRDWOOD, R. E., Secretary to Government, Public Works Department, dated Fort Saint George, 20th September 1862, No. 407:—

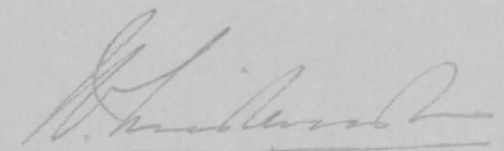

SIR,

With reference to the Orders of Government No. 2,199, dated 15th instant, I have the honor to enclose copy of Proceedings of Government in the Financial Department No. 496, dated 1st October 1860, passed upon a letter from this Office explaining the circumstances under which the salaries of Officers were required to be included in the Pay Abstracts of their Establishments. Owing to oversight on the part of this Office, the above rule was not enforced in some cases (those under reference for instance) and this has now been remedied. But if exceptions are authorized by Government, other Officers will undoubtedly claim a like indulgence on the ground of inconvenience. The question, it will be observed, appertains properly to the Financial Department.

ORDER THEREON, 30th September 1862, No. 2,341.

The foregoing letter together with the Order in this Department No. 2,199, dated 15th September 1862, will be referred to the Financial Department, where the Chief Engineer's request will be considered.
