*Proceedings of the Madras Government, Financial Department,
29th January 1862.*

No. 94. Read the following letter from W. M. CADELL, Esq., Collector of Tanjore; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Trivadi, 22nd January 1862, No. 70.

*Financial Department.

With reference to the Proceedings* of Government under date the 13th instant, No. 36, I beg to express my regret that, by an oversight, a rough copy not intended for submission to Government was sent up with my letter of the 14th ultimo, instead of the revised one which ought to have been submitted. Hence arose not only the omission of the amounts of the several items which required sanction, but also the want of agreement between the specification of the items as contained in the list submitted to Government and the Supplemental Estimate transmitted to the Accountant General, in consequence of which that Officer was unable to specify the amounts of two of them and they have, on that account, not been included in the sanction now granted.

2. These are the Scavengers' Establishment of the Fort of Tanjore (wrongly entered as Police Katcherri in the list which accompanied my letter) and the Mokásá Establishment maintained as a temporary arrangement for keeping the accounts of the villages belonging to His late Highness the Rájá and now incorporated with those of Government. The amounts appertaining to these as entered in the Supplemental Budget are specified in the margin* and I beg to solicit the authority of Government for disbursing the charges thereof in advance pending the sanction of the Supreme Government to the Supplemental Budget.
