*Proceedings of the Madras Government, Financial Department,
17th November 1862.*

2 No. 52. Read the following letter from J. MACKEY, Esq., Secretary to the Government Savings' Bank; to the Chief Secretary to Government, Fort Saint George, dated 12th November 1862, No. 662.

Referring to Mr. R. W. Norfor's Report on the Government Savings' Bank, forwarded to me with Order No. 777, dated 4th November 1862, in which the salary of the Actuary is increased from 230 to 250, I have the honor to bring to your notice that as the appointment of Actuary is a Gazetted one, the Civil Paymaster, under the instructions contained in the Resolution of the Government of India, No. 519a,* para. 1, will be unable to pass it for the amount sanctioned by the Local Government, without a reference to the Government of India, and as I have reason to suppose that in framing the re-distribution of salaries in the Bank, no reference to the Supreme Government for sanction was contemplated, I have therefore the honor to solicit your further orders on this point.

† Dated 4th November.

‡ Received 6th November.

2. The Budget Estimate† submitted by me on the 5th instant, though correct as regards the totals, (provided no paid Secretary is attached to the Bank) will under the above

Order‡ be incorrect, as regards the salary of the Actuary, if it is decided to keep it at 250 Rupees.

3 No. 53. ORDER THEREON, 17th November 1862, No. 813.

As the Order of this Government, No. 777, dated the 4th instant, was passed prior to the receipt of the Resolution of the Government of India above referred to, the Civil Paymaster will be directed to pass the increased salary to the Actuary of the Government Savings' Bank pending the confirmation of that Government to the revised establishment, which has been specially reported to them.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
