*Proceedings of the Madras Government, Financial Department,
12th December 1862.*

No. 36. Read the following letter from Lieutenant Colonel W. K. WORSTER, Barrack Master, Presidency; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated 8th December 1862, No. 930.

With reference to the Orders of Government of the 4th December 1862, No. 852, calling for an explanation regarding the estimated amount for repairs to Blinds and Mats at the late Government House, Madras, I have the honor to state that the amount entered in the Budget, Rupees 3,300, is derived from an actual estimate of the repairs and renewals (nearly one-third) that will in all probability be required during the ensuing year. No expenditure has been incurred during the present official year up to this time, and but a very few Rupees will be expended for minor repairs unless the Blinds are injured by heavy winds.

2. A detailed estimate of the probable cost for providing Blinds and Punkahs to the new General Hospital is herewith submitted. The entry for this supply in the Budget Estimate was made at the request of the Physician, General Hospital, who informed me "that these articles have been inserted in the Budget Estimate which had been already forwarded for the sanction of Government."

No. 37. ORDER THEREON, 12th December 1862, No. 870.

His Excellency the Governor in Council sanctions the detailed Estimate for providing Blinds and Punkahs to the new General Hospital, amounting to Rupees 7,050, and directs that this sum be entered in the Budget for the ensuing official year.

2. Under the explanation submitted by the Barrack Master, the Estimate of his Department is passed, and forwarded to the Accountant General.

Chief Secretary.
