*Proceedings of the Madras Government, Financial Department,
13th December 1862.*

No. 38. Proceedings of Government, dated 13th December 1862, No. 871.

The Estimate of charges of the Government Central Museum has not been drawn up in regular form. The aggregate of the monthly pay of the Clerks and Servants should not have been entered in the column after that for "Number," and the items, including that of the Superintendent's salary, should have been placed respectively in juxta position, and the cause of increase under each head fully explained. Captain Mitchell will state on what grounds he has entered the sum of 3,000 Rupees in his Budget for the ensuing official year "for the purchase of standard works on Natural History," a charge on this account to the amount of Rupees 2,820 having been incurred in the current year. Under any circumstances, the entry should not have been made without the sanction of Government having been previously obtained to the proposed expenditure, the necessity of which should have been fully explained.
