Budget and Finance Department.

* To be returned. I have the honor to forward an original letter* dated the 3rd instant, from the Registrar of the High Court, and with reference to the 2nd para. thereof to request that you will be good enough to inform me, whether the Budget Estimates of the High Court for the ensuing official year 1863-64, may be based on the Budget Estimates of the late Supreme and Sudder Courts for the year 1862-63, or whether the proposal for the reconstruction of the Establishment of the High Court, alluded to in the 1st para. of the above letter, will be settled in time, to admit of an Estimate being prepared by the Registrar, agreeably to the determination which Government may come to.

No. 50. ORDER THEREON, 18th December 1862, No. 879.

As it is not probable that the proposals made by the Chief Justice of the High Court regarding the Ministerial establishment attached to that Court, and which are now under the consideration of Government, will be disposed of in sufficient time to admit of their being made the basis of the Budget, His Excellency the Governor in Council requests that the Accountant General will adopt the Budget sanctioned for the late Supreme and Sudder Courts for the current year.
