provided for in the Budget of that year, and beg to be informed whether similar sanctions should be reported to the Supreme Government in the monthly Statement under instructions contained in para. 43 of your letter to the Chief Secretary to the Government of Saint George, dated 21st June last, No. 4,089, or whether only sanctions involving *fresh charges* and alterations should be included in that Statement.

From L. C. PROBYN, Esq., Officiating Civil Paymaster of the North-Western Provinces, to J. D. SANDFORD, Esq., B.A., Under Secretary to the Government of the North-Western Provinces, Financial Department, Allahabad, No. 295, dated Allahabad, 9th October 1862.

information and guidance with your endorsement, No. 1,827 A, dated the 29th of September 1862, I have the honor to transmit, for the consideration and orders of His Honor the Lieutenant-Governor, the accompanying copy

of a form in which I propose to furnish the return required by the orders of the Government of India, conveyed in their letter to the Chief Secretary to the Government of Fort Saint George, No. 4,089, dated the 21st of June 1862, and by His Honor's Orders as communicated in the correspondence above referred to.

2. As it is possible that in many cases there will be both a transfer of grant, and alteration of charge, I think it will be better to have only one Statement, combining all the information required, instead of two Statements, as contemplated by Mr. Balmain. I have accordingly made arrangements for the exhibition of all the information required in the single accompanying form, and I may add that this slight deviation from his proposal is approved by the Officiating Deputy Auditor and Accountant General. I trust therefore His Honor will be pleased to allow it.

3. I have taken the liberty of filling up the statement herewith furnished with imaginary cases as examples, as I thought His Honor would thus be better able to decide if the proposed form is adopted to the purposes for which it is intended.

4. The Statement will be prepared in duplicate as soon as possible after the receipt from the Secretary of the last orders of the month to which it relates. One copy will be furnished direct to the Government of India, through the Deputy Auditor and Accountant General, and the other copy will be transmitted, for the information of His Honor the Lieutenant-Governor and for despatch to the Government of India, after any necessary corrections have been made, and any omissions supplied.

*Proceedings of the Madras Government, Financial Department,
22nd December 1862.*

From J. D. SANDFORD, B.A., Under-Secretary to the Government of the North-Western Provinces; to L. C. PROBYN, Esq., Officiating Civil Paymaster, North-Western Provinces, Allahabad, No. 1,993 a, dated Nynee Tal, 28th October 1862.
Financial Department, N. W. Provinces.

In reply to your letter, No. 131-295, dated the 9th of this month, I am directed to inform you that the Honorable the Lieutenant-Governor approves of the form therewith submitted, according to which you propose to furnish the monthly return required by the Government of India, in the orders to the address of the Madras Government, No. 4,089, dated 21st June 1862, showing transfers of grants between the subordinate heads of the Budget and alterations and increases in charges within prescribed limits.

2. As, however, the controlling officers named in my letter to the address of the Officiating Deputy Auditor and Accountant General, No. 1,842a, dated 1st October, have been authorized to direct re-distribution of the grants pertaining to their department for contingent charges, the number and date of their orders will in such cases be shown in the 1st column of the Statement.

3. In accordance with the request contained in your letter, No. 130-291, dated 9th of this month, such officers will be instructed to communicate at once to your office any transfers which they may order.

No. 1,994a, FINANCIAL DEPARTMENT, N. W. P., NYNEE TAL, the 28th October 1862.
Ordered, that copies of the foregoing be forwarded to the Secretary to the Government of India, in the Financial Department, for the information of His Excellency the Viceroy and Governor General in Council, in continuation of No. 1,828a, dated 29th ultimo.

FINANCIAL DEPARTMENT, FORT WILLIAM, the 19th November 1862.
RESOLUTION.—The charges herein referred to appear to be fresh charges so far as the Budget is concerned, and should be included in the monthly Statement required by this Government; but the Governor General in Council considers it desirable to have two Statements, one of transfers merely, and another of fresh charges and alterations, the latter in sufficient detail to help an opinion as to the expediency of the alteration reported.

2. In respect to the head to which the allowances of the Talliars of Pulicat should be charged in the Budget, orders will be passed hereafter.

To the Government, the Officiating Civil Paymaster, and the Deputy Auditor General, Madras.

To the Auditor General of India.

To the Government and the Civil Paymaster, North-Western Provinces, with reference to docket of the former, No. 1,994, dated 28th October 1862.

To the other Local Governments, Civil Paymasters, and Deputy Auditors and Accountants General, for information and guidance.

(Signed) E. DRUMMOND,

No. 60. From the Honorable E. DRUMMOND, Secretary to the Government of India, Financial Department; to the Chief Secretary to the Government of Fort Saint George, dated Fort William, Council Chamber, the 19th November 1862, No. 956A.
Financial Department.

A question having been raised in the Proceedings of the Madras Government, No. 588, dated 8th August 1862, as to the head under which the allowances of the Talliars of Pulicat should be provided for in the next Budget Estimate, I am directed to enquire whether the allowances were granted in consequence of resumed privileges, in which case the charge would evidently come under "Allowances and Assignments under Treaties and Engagements;" or whether the case arose out of the resumption of land for which the Talliars rendered service, (which they continue to render). In the latter case the charge will be debited to "Allowances to District and Village Officers."

*Proceedings of the Madras Government, Financial Department,
22nd December 1862.*

No. 61.

ORDER THEREON, 22nd December 1862, No. 890.

It is stated in the Proceedings of the Board of Revenue, dated 28th July 1862, No. 4,876, that the allowances of Talliars of Pulicat are payable in lieu of resumed privileges. It would appear therefore that according to the ruling of the Government of India, the charge should be entered in Estimate B, II, "Allowances and Assignments under Treaties and Engagements." The Board expressed an opinion to the same effect in the 2nd para. of their Proceedings above quoted.

2. But as the Government of India, with the Board's Proceedings before them, make the enquiry contained in their letter of the 19th ultimo, No. 956, the Board will be requested to ascertain more fully and report whether the allowances in question were granted in consequence of resumed privileges, or on account of the resumption of land for which the Talliars rendered service, (which they continue to render).

EXTRACT from the Proceedings of the Government of India, in the Financial Department, d. 19th November 1862.

From W. J. RAYNOR, Esq., Officiating Civil Pay Master, Madras, to the Hon'ble E. DRUMMOND, Financial Secretary to the Government of India, No. 1353, d. 22nd September 1862.

I HAVE the honor to enclose copies of orders of the Madras Government sanctioning the disbursement from savings in the Budget grants for 1862-63 of certain charges which, though otherwise duly authorized, are not specially provided for in the Budget of that year, and beg to be informed whether similar sanctions should be reported to the Supreme Government in the monthly Statement under instructions contained in para. 43 of your letter to the Chief Secretary to the Government of Fort Saint George, dated 21st June last, No. 4089, or whether only sanctions involving *fresh charges* and alterations should be included in that Statement.

PROCEEDINGS of the Madras Government, Revenue Department.

Read the following letter from H. A. MANGLES, Esq., Acting Accountant General, to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, No. 123, d., Fort Saint George, 24th July 1862.

I HAVE the honor to enclose copy of a letter from the Deputy Collector of Madura, dated the 16th instant, No. 379, and to state that no specific provision has been made in the Original nor Supplemental Budget Estimates of that District on account of the Sea Custom Establishment at Paumben, amounting to about Rupees 1,120 per annum. The reason of this omission is stated in his letter under reference, and it does not appear that the * Revenue Department orders of Government, dated * 2nd October 1861, No. 1904, which cancelled those dated 19th December 1848, had been communicated to the Collector, in which former Order the full cost of the Establishment in question was directed to be debited to the Revenue Department, and not in portions, as was before the practice, to the Marine and Magisterial Departments.

2. As there is a large saving in the Budget of 1861-62 under the head B I. 3, Customs, as per margin, I would suggest that authority be given to the Civil Pay Master to pass the charge under notice against these savings.

ORDER THEREON, 2ND AUGUST 1862, No. 1646.

UNDER the circumstances stated, the Governor in Council approves the suggestion of the Accountant General, that the cost of the Sea Custom Establishment at Paumben for

1861-62 be charged to the savings under the head "B. I. Customs" in the Budget for that year.

PROCEEDINGS of the Madras Government, Financial Department.

READ the following Proceedings of the Board of Revenue, dated 28th July 1862, No. 4876.

Read letter from B. CUNLIFFE, ESQ., Collector of Madras, to W. HUDLESTON, ESQ., Secretary to the Board of Revenue, Madras, No. 249, d., Saidapet, 14th July 1862.

ADVERTING to the 1st paragraph of the Board's Proceedings, dated 27th ultimo, No. 4174, I have the honor to state that the allowances of the Talliars of Pulicat were charged to the Magisterial Department, previous to the abolition of the Police Amin Establishment at that station, and passed by the Civil Pay Master under the circumstances mentioned in the 3rd paragraph of my letter, dated 27th March 1862, No. 87. These allowances cannot be disbursed from the sums provided for in the Budget for 1862-63, under the head II. Allowances and Assignments under Treaties and Engagements. As I am not able to say whether any saving can be effected under that head during the year 1862-63, I would suggest that it be met from the provision made in the Budget on account of Taluk Establishment under the head B. I. Land Revenue. There is already a saving from the pay of the Tehsildars of Madharantakam and Ponnari.

2. The charge, if the Board see no objection, will be debited under the head III. Allowances to District and Village Officers.

1. SUBMITTED to Government, with reference to the Board's Proceedings, dated 27th June 1862, No. 4174. It appears from the Collector's letter that the allowances of the Talliars of Pulicat, which are payable in lieu of resumed privileges, and for which no provision was made in the Budget for 1862-63, on the supposition that they belonged to the Police Establishment, can be met from the savings in the Taluk Establishment. The Board accordingly request the sanction of Government for the disbursement of the allowances in question, amounting to 21 Rupees per month, from the savings alluded to by the Collector.

2. The charge must be debited to compensation in lieu of resumed lands, Officers, and Privileges 3 Miscellaneous under Allowances and Assignments under Treaties and Engagements.

I have accordingly made arrangements for the exhibition of all the information required in the single accompanying form, and I may add that this slight deviation from his proposal is approved by the Officiating Deputy Auditor and Accountant General. I trust therefore His Honor will be pleased to allow it.

3. I have taken the liberty of filling up the statement herewith furnished with imaginary cases as examples, as I thought His Honor would thus be better able to decide if the proposed form is adopted to the purposes for which it is intended.

4. The Statement will be prepared in duplicate as soon as possible after the receipt from the Secretary of the last orders of the month to which it relates. One copy will be furnished direct to the Government of India, through the Deputy Auditor and Accountant General, and the other copy will be transmitted, for the information of His Honor the Lieutenant-Governor and for despatch to the Government of India, after any necessary corrections have been made, and any omissions supplied.

FROM THE HON'BLE E. DRUMMOND,

SECRETARY TO THE GOVERNMENT OF INDIA,

FINANCIAL DEPARTMENT;

TO THE CHIEF SECRETARY TO THE GOVERNMENT OF FORT SAINT GEORGE.

Fort William, Council Chamber, the 19th November 1862.

Financial Department.

SIR,

A QUESTION having been raised in the Proceedings of the Madras Government, No. 588, dated 8th August 1862, as to the head under which the allowances of the Talliars of Pulicat should be provided for in the next Budget Estimate, I am directed to enquire whether the allowances were granted in consequence of resumed privileges, in which case the charge would evidently come under "Allowances and Assignments under Treaties and Engagements;" or whether the case arose out of the resumption of land for which the Talliaries rendered service, (which they continue to render.) In the latter case the charge will be debited to "Allowances to District and Village Officers."

I have the honor to be,

SIR,

Your most obedient servant,

E. Drummond

 EXTRACT from the Proceedings of the Government of India, in the Finan-
 cial Department, d. 19th November 1862.

From W. J. RAYNOR, ESQ., Officiating Civil Pay Master, Madras, to the Hon'ble
 E. DRUMMOND, Financial Secretary to the Government of India, No. 1353, d.
 22nd September 1862.

I HAVE the honor to enclose copies of orders of the Madras Government
 sanctioning the disbursement from savings in the
 Budget grants for 1862-63 of certain charges which,
 though otherwise duly authorized, are not specially provided for in the Budget of that
 year, and beg to be informed whether similar sanctions should be reported to the Supreme
 Government in the monthly Statement under instructions contained in para. 43 of your
 letter to the Chief Secretary to the Government of Fort Saint George, dated 21st June last,
 No. 4089, or whether only sanctions involving fresh charges and alterations should be
 included in that Statement.

2. A copy of the form prescribed by the Madras Government, for the Statement
 required by the above order, has been already forwarded for the information of Government
 with my docket, No. 457, dated 20th instant.

PROCEEDINGS of the Madras Government, Revenue Department, 8 Aug 1862 MS-88
 Read the following letter from H. A. MANGLES, ESQ., Acting Accountant General, to
 A. J. ARBUTHNOT, ESQ., Acting Chief Secretary to Government, No. 123, d., Fort
 Saint George, 24th July 1862.

I HAVE the honor to enclose copy of a letter from the Deputy Collector of
 Madura, dated the 16th instant, No. 379, and to state that no specific provision has been
 made in the Original nor Supplemental Budget Estimates of that District on account of the
 Sea Custom Establishment at Paumben, amounting to about Rupees 1,120 per annum. The
 reason of this omission is stated in his letter under reference, and it does not appear that the
 Revenue Department orders of Government, dated 2nd October 1861, No. 1904, which can-
 celled those dated 19th December 1848, had been communicated to the Collector, in which for-
 mer Order the full cost of the Establishment in question was directed to be debited to the
 Revenue Department, and not in portions, as was before the practice, to the Marine and
 Magisterial Departments.

Amount of Grant	Rs.	2. As there is a large saving in the
Do. expended	1,86,668	Budget of 1861-62 under the head
	1,56,130	B I. 3, Customs, as per margin, I would
	30,538	suggest that authority be given to the Civil Pay Master to pass the charge under notice
		against these savings.

ORDER THEREON, 2ND AUGUST 1862, No. 1646.
 UNDER the circumstances stated, the Governor in Council approves the suggestion
 of the Accountant General, that the cost of the Sea Custom Establishment at Paumben for

1861-62 be charged to the savings under the head "B I. Customs" in the Budget for that year.

PROCEEDINGS of the Madras Government, Financial Department.

READ the following Proceedings of the Board of Revenue, dated 28th July 1862, No. 4876.
Read letter from B. CUNLIFFE, Esq., Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, Madras, No. 249, d., Saidapet, 14th July 1862.

ADVERTING to the 1st paragraph of the Board's Proceedings, dated 27th ultimo, No. 4174, I have the honor to state that the allowances of the Talliars of Pulicat were charged to the Magisterial Department, previous to the abolition of the Police Amin Establishment at that station, and passed by the Civil Pay Master under the circumstances mentioned in the 3rd paragraph of my letter, dated 27th March 1862, No. 87. These allowances cannot be disbursed from the sums provided for in the Budget for 1862-63, under the head II. Allowances and Assignments under Treaties and Engagements. As I am not able to say whether any saving can be effected under that head during the year 1862-63, I would suggest that it be met from the provision made in the Budget on account of Taluk Establishment under the head B. I. Land Revenue. There is already a saving from the pay of the Tehsildars of Madharantakam and Ponnari.

2. The charge, if the Board see no objection, will be debited under the head III. Allowances to District and Village Officers.

1. SUBMITTED to Government, with reference to the Board's Proceedings, dated 27th June 1862, No. 4174. It appears from the Collector's letter that the allowances of the Talliars of Pulicat, which are payable in lieu of resumed privileges, and for which no provision was made in the Budget for 1862-63, on the supposition that they belonged to the Police Establishment, can be met from the savings in the Taluk Establishment. The Board accordingly request the sanction of Government for the disbursement of the allowances in question, amounting to 21 Rupees per month, from the savings alluded to by the Collector.

2. The charge must be debited to compensation in lieu of resumed lands, Officers, and Privileges 3 Miscellaneous under Allowances and Assignments under Treaties and Engagements.

ORDER THEREON, 8th August 1862, No. 588.

RESOLVED accordingly that the pay of the Talliars of Pulicat be passed against the savings in the Taluk Establishment of the Madras Collectorate. The Accountant General will instruct the Collector as to the head under which the charge on this account should be provided for in the next Budget Estimate.

WITH reference to the correspondence noted in the margin*, which was forwarded for my information and guidance

Reply to above, dated the 29th of September 1862, No. 1826a, in the Financial Department.

with your endorsement, No. 1827a, dated the 29th of September 1862, I have the honor to transmit, for the consideration and

orders of His Honor the Lieutenant-Governor, the accompanying copy of a form in which I propose to furnish the return required by the orders of the Government of India, conveyed in their letter to the Chief Secretary to the Government of Fort Saint George, No. 4089, dated the 21st of June 1862, and by His Honor's Orders as communicated in the correspondence above referred to.

2. As it is possible that in many cases there will be both a transfer of grant, and alteration of charge, I think it will be better to have only one Statement, combining all the information required, instead of two Statements, as contemplated by Mr. Balmain. I have accordingly made arrangements for the exhibition of all the information required in the single accompanying form, and I may add that this slight deviation from his proposal is approved by the Officiating Deputy Auditor and Accountant General. I trust therefore His Honor will be pleased to allow it.

3. I have taken the liberty of filling up the statement herewith furnished with imaginary cases as examples, as I thought His Honor would thus be better able to decide if the proposed form is adopted to the purposes for which it is intended.

4. The Statement will be prepared in duplicate as soon as possible after the receipt from the Secretary of the last orders of the month to which it relates.
