*Proceedings of the Madras Government, Financial Department,
23rd December 1862.*

No. 64. Proceedings of Government, dated 23rd December 1862, No. 893.

The Estimates of Receipts and Disbursements for 1863-64 submitted by the Inspector General of Jails will be forwarded to the Accountant General to be included in the Civil Service Budget. The Governor in Council observes that the Inspector General has omitted to furnish any explanation of variations between the Estimates of the current and ensuing official years, there being an increase in the Estimate for the latter year of nearly 1,60,000 Rupees. The omission of such explanation and the late period at which the Estimates have been submitted by Mr. Rohde, preclude a careful scrutiny of the items therein provided for. Mr. Rohde will submit with as little delay as possible a full explanatory statement with reference to the variations in question which will be considered when the Estimates are returned by the Accountant General.
