Proceedings of the Madras Government, Financial Department,
25th February 1863.

No. 65. Read the following letter from Lieutenant Colonel M. C. CHASE, (retired) late Madras Cavalry, Commanding Body Guard ; to the Chief Secretary to Government, Fort Saint George, Madras, 31, Notingham Place, Regents Park, London, dated 10th January 1863.

I have the honor to request that you will be good enough to submit to the Right Honorable the Governor in Council at Fort Saint George, this application, that an Invalid Pension of £350 per annum may be granted, from the 25th November 1862, to my son Morgan Charles Chase belonging to the Madras Civil Service, under the provisions of the Financial Despatch from the Secretary of State for India to the Governor General, numbered 193, and dated November 25th, 1862. The state of my son's health is such, as shown by the accompanying two Medical Certificates, that he is quite incapacitated, from performing further duty in India, and is unable to make his own application to retire on a pension. I trust therefore that my doing so on his behalf, with the full consent of his wife, whose signature is attached, will be deemed, under the distressing and peculiar circumstances of the case, sufficient.

Permission has been already given, by the Secretary of State for India, under date 5th instant, for my son to resign the Civil Service conditionally upon the production of a Certificate, from the Civil Paymaster, of No Demands against him but as I have no means of obtaining this ; document, I beg to solicit you to be so kind as to call for it from that Officer, and submit it with this application to His Excellency the Governor in Council, in view to an Order being passed, allowing my son's retirement, and granting the invalid Pension from the same date. The services of my son are known to the Madras Government, I need not therefore refer to them more than, to say, that he commenced his period of service on the 6th of January 1847, and reached India on the 2nd of May of that year.

The above application in behalf of my poor husband is with my full consent.

(Signed) CHARLOTTE CHASE.

This is to certify that Mr. Morgan Charles Chase is under my medical care, and that he has an affection of the brain which will render it impossible for him ever to resume his duties in India.

(Signed) GIDLON G. GARDINER, M. D.,

Brooke House, Clapton.
10*th December* 1862.

I beg to certify that Mr. Morgan Charles Chase, has been subject to apoplectic seizures, and I fear to structural disease of the brain. I am fairly of opinion that he is not likely ever to recover so as to be fit to resume any duties in India.

No. 66. Order thereon, 25th February 1863, No. 121.

Referred to the Civil Paymaster, who will report to what rate of pension Mr. M. C. Chase is entitled under the Despatch referred to, and, if there should be no demands against Mr. Chase, will furnish a Certificate to that effect.
