Proceedings of the Madras Government, Financial Department,
28th February 1863.

No. 87. Read the following letter from W. HUDLESTON, Esq., Secretary Civil Fund; to T. L. STRANGE, Esq., dated Madras, 14th February 1863.

In reply to your letter dated 6th instant, stating your wish to be permitted to defer your resignation of the service until the departure from Madras of the first P. and O. Company's Steamer leaving in the month of May, without exposing yourself to the penalty attached by paragraph 10 of the Annuity Fund Rules, dated 17th June 1853, to non-resignation on or before the 1st May following acceptance of an annuity, I am directed by the Managers of the Fund to inform you that the rule in question is in their opinion abrogated by the recent Despatch of the Secretary of State granting the annuities to all qualified applicants without limit as to number, under which Despatch Messrs. Morehead and Williamson who accepted the annuity under the old terms from 1st May 1863, on the same occasion as yourself, have been granted the ful annuity from 25th November 1862, and that it is therefore optional with you to tender your resignation from such date as may suit your convenience whether before or after 1st May next, without incurring the penalty which the old rules provided for a state of things which no longer exist.

Copy of this letter will be submitted for the information of Government.
