*Proceedings of the Madras Government, Financial Department,
5th March 1863.*

No. 9. To the Secretary to the Government of India, dated Fort Saint George, 5th March 1863, No. 153.

Adverting to paragraph 5 of the Resolution, dated 3rd May 1860, No. 1,407, directing that all cases of good service pensions be referred to the Supreme Government for sanction, I am desired by His Excellency the Governor in Council to submit with the Civil Paymaster's report a Register of application preferred on behalf of Mr. Sub-Engineer A. F. Ottman.

2. Mr. Ottman entered the public service as an apprentice on the Establishment of the Inspector General Survey Department, on the 31st July 1823. In March 1830 he was promoted to the rank of Surveyor, in which capacity he continued to serve till January 1857 when he was appointed to his present post of Sub-Engineer, 3rd Class, on a salary of Rupees 300. His service up to 28th February, as verified by the Civil Paymaster, amounts to 36 years and 7 months, but taking into account the first three years which have been excluded by reason of his being then under the age of 18, it will be seen that his total employment under Government is only 5 months short of 40 years.

3. Mr. Ottman's conduct is said to have been satisfactory, and he has twice been recommended for promotion to a higher grade than that which he holds at present. The accompanying testimonials, which have been granted him on various occasions commencing with 1838, also attribute to him great zeal and usefulness. He has applied for a pension "feeling that his health is getting affected by the laborious nature of his duties," and his application is supported by his immediate superior as well as by the Chief Engineer.

4. Under these circumstances I am directed to convey the recommendation of this Government that, in consideration of his long and faithful service, Mr. Ottman may be admitted to a good service pension of Rupees 150, equal to a moiety of his salary, with effect from the date on which he may cease to be borne on the effective establishment.

Chief Secretary.
