No. 68. Read the following letter from J. L. LUSHINGTON, Esq., Acting Deputy Auditor and Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 9th March 1863, No. 425.

Budget and Finance Department.

1. In the Financial Resolution of the Government of India, dated 8th September last, No. 295*a*, recorded in the Proceedings of this Government, dated 14th October last, No. 725, Financial Department, it is stated that the Local Governments should indicate some Controlling Officers, on the authority of whom petty transfers of contingent charges from one item in one section of a Department, to another item in the same section, may be admitted by this office and by the Civil Paymaster, if the items be, in other respects, susceptible of audit under the general rules in force. As the Madras Government have not as yet nominated any such Officers, I beg to be favored with their instructions on the subject.

2. I would, however, suggest that the above transfers may best be disposed of on the authority of the Board of Revenue and the High Court, so far as their respective Budgets are concerned, and on the authority of this office, in respect to all other items.

No. 69. ORDER THEREON, 20th March 1863, No. 198.

It is observed that the Controlling Officers, on whose authority all transfers in details of Contingent charges of the same class may be admitted without reference to Government, were indicated in the Proceeding noted in the margin. The orders in the Revenue and Judicial Departments were duly communicated to the Civil Paymaster and the Deputy Auditor and Accountant General. Those passed in the Educational and Public Departments will now be communicated to them, with an intimation that petty transfers of Contingent charges in all other branches of the service may be disposed of on the authority of the Accountant General.
