Sir

I have the honor to forward an application for Pension on behalf of Syed Abdool Kadir a Duffadar of the Coorg Local Force, discharged by the infirmities & age for further service.

2 This individual was a member of the Koothgurkal or Household of the late Rajah of Coorg and had he not taken service under our Government would have received a Pension of Rs 20 per Mensem on an assumption of the District.

3 With some other members of the Koothgurkal he preferred taking active service in the Irregular Horse to claiming the Pension to which he was entitled, and has served our Government efficiently for more than twenty years.

4 In accordance with the precedents sanctioned by Government in like cases I beg to recommend that Rs 20 a month be

as granted a life pension of Rupees 25
per Mensem Commencing from the date
of his being invalided from the Service

Sir,

In forwarding for submission to Government the enclosed application for a "Gold Stick Pension" for Sirdar Sheikh Wayed ally of this Agency, I have the honor to submit the following particulars as to his valuable services &c.

2. When the Agency for the suppression of Meriah Sacrifices was first formed in December 1845 the Sirdar joined the Agency as Peon, his intelligence and zeal soon attracted the notice of his superiors and he was quickly advanced. Till in 1850 he was appointed a Jemadar of Sebundies on a Monthly Salary of Rs 16 per mensem, and subsequently as Zemindar, Patel on the sanctioned Establishment of this Agency — he rendered most valuable assistance in the work of Meriah suppression and much of the success which has attended the efforts of this Agency was due to the Sirdar's meritorious exertions in influencing the Hill Coryah chiefs and their wild followers, as also to his intimate knowledge of the manners and customs of the various Hill Rajahs and petty chiefs with whom the Agency had to deal.

3 In 1855 Sheikh Wayed ally obtained the rank of Sirdar of Sebundies the highest position he could aspire to, as being an uneducated man advancement into the higher paid appointments of the Agency were not open to him. The Sirdar has on 2 occasions received money rewards from the Supreme Government for his valuable services and he has invariably obtained the approbation of

8

of all the Officers of this Agency under whom he has served during a period of 16½ years the greater portion of which has been passed in a notoriously unhealthy country.

4 I have therefore to solicit that a good service Pension of Rupees 15 per mensem may be awarded to the Lord as for his meritorious services in this Agency.

Sir,

Para 1 On the transfer of the Ganjam Sibbendy Corps to the civil Constabulary Establishments and the reduction of their number the Superintendent dispensed with the services of two of the older Sirdars named Yacoob Sheriff and Poostrinnaiee who were at the time in Hospital. These native officers have applied to me to prefer their Claims for a pension to the favorable Consideration of Government; and whom it is considered that they have served long and faithfully rising to the rank they lately held entirely by their own exertions and good conduct and showing themselves ready to serve

the Government in quarters for which their strictly local organisation did not provide, I trust their application may be favorably received.

2. The Goomsoor Sibbunnies were originally raised for service in the Gunjam District and were only paid as locals. During the late rebellion a body of them was sent to Sumbulpore where they distinguished themselves by their readiness to perform the roughest part of the work being constantly employed in the jungles in hunting out parties of rebels - a service in which they were very successful.

I have the honor to be,

Sir,

I have the honor to submit for the consideration of Government with the Enclosed Rolls of the Servants of this Agency for whom I am desirous to obtain a pensions, I have the honor to submit the few following observations for favorable consideration. -

2. Sirdar Modhi Bhangoo Singh of the Orissa Agency to which he belongs for whom he solicits a Superannuation Pension of Rs 25 per mensem is now solicited is a man who for the last 30 years has served Government with Zeal and energy. Since the year 1846 he has been permanently attached to this Agency, and by his straightforward and Zealous performances of duties has raised himself to the highest position he could expect to obtain — his meritorious conduct has frequently been the means of his being rewarded by the Supreme Government and in 1861 the Supreme Government presented him with a Sanad Build in recognition of his energetic services in rescuing 20 Meriah from Chickapoda Taluk of Jeypore of the Malahundy Zemindary.

3. For the last 15 years he has been employed with little or no intermission, in Hill service — he is

To The Secretary to the Government of India.

Sir,

I am directed by H. E. the G. in C. to submit for the consideration of the Government of India the accompanying correspondence relative to certain applications for pension and gratuity preferred on behalf of members of the late Agency for suppression of Meriah Sacrifice in Orissa, and of other Civil armed Establishments

2 His Excellency in Council believes that a full report on the subject of the Sibbundy Corps, or Civil armed Establishments in this Presidency, has been recently submitted to the Military Finance Department, specially with a view to determine whether such persons are eligible for pension.

~~or not~~. It seems unnecessary therefore to recapitulate here the circumstances under which the corps were organized and have now been incorporated with the general body of the Police.

3 In the Resolution under No. 2,489 of 18th Dec. 1861. which the Orissa Agency has been abolished, the Governor General in Council desires that "gratuities "should be granted under the Rules "to those who may be entitled "to receive them." The question then occurs, what are the Rules by which such cases should be governed?

4 From the Honorable Mr. Drummond's letter, No. 3656 of the 8th September 1862, a copy of which has been received from the Civil Paymaster, it would appear "that service in Sibbundy "corps cannot be reckoned towards "pension under the Superannuation "pension Rules of 1st January 1831,

and

"and that in Bengal the claims "of servants in local corps or "civil armed Establishments are "treated under Military Rules "upon reports obtained from the "Controller of Mil. Finance."

5 It seems, however, to this Government that these instructions were intended to apply only to the Military members of the corps in the Establishments now under notice; and particularly attached to the Orissa Agency, there were a number of clerks and Office servants whose cases would most properly be governed by the Uncovenanted pension rules. The names of these persons are exhibited in State-ment A appended to this letter, together with the period for which each has served, the amount of his pay and the pension or gratuity to which he

be appears to be entitled.
Statement B on the other hand includes only the combatant members of the several corps. In it also the same particulars are shewn, but the amount of the pension or gratuity entered is that to which the Controller of Military Finance considers the applicants to be entitled under the Bengal Pay Code.

6 It should moreover be stated that it has been found impossible to verify the periods of service, as the returns of these Establishments to the audit office exhibit only the appointments and their salaries without specifying individual names.

7. There is one applicant whose name has not been entered in either of the Statements alluded
