Proceedings of the Madras Government, Financial Department, 10th April 1863.

No. 30. Read the following letter from J. L. LUSHINGTON, Esq., Acting Deputy Auditor and Accountant General; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated 7th March 1863, No. 422.

Budget and Finance Department.

With reference to the Proceedings of Government, dated the 19th January last, No. 34, Financial Department, I have the honor to submit, herewith, a statement showing "the further grants required on account of charges not provided for in the Civil Budget for the current year 1862-63," and to request that you will be good enough to obtain the sanction of the Government of India thereto. This return is submitted in lieu of the Supplemental Budget Estimate, which was promised in my letter of the 4th ultimo, No. 362.

2. From the abstract in the first page of the statement, it will be seen that the total amount which is required to be sanctioned as an additional grant is Rupees 5,26,520. To cover this additional expenditure, there is an expected saving of Rupees 2,68,000 in the Budget grant under certain heads of service, as shown in the abstract of the above statement, which being deducted from the above sum leaves only Rupees 2,58,520 as the net additional grant for the year.

3. In reviewing the Supplemental Budget Estimate submitted by the Board of Revenue, the Government in their Proceedings in the Revenue Department, dated 30th December last, No. 2,698, struck off Rupees 26,000 under "Allowances, Refunds and Drawback," as only about one-fourth of the grant* was spent during the first six months of the current year. That amount has been accordingly omitted in the present return, but as the payments during the two following months, November and December have reduced the balance† available to meet the charges of the remaining four months, to less than one-third of the original grant, an additional sum of Rupees 40,000 has been now estimated under this head on account of refund‡ to Her Highness Kamatchee Boye Sahiba of the net profits which accrued in 1862-63 out of the lands belonging to the late Rajah of Tanjore, and recently ordered to be made over to Her Highness.

* Rupees 4,29, 000.

4. The balance of grant under the heads noted in the margin, appear to me also, as remarked by Government in their Proceedings in the Revenue Department, dated the 30th December last, referred to in the preceding paragraph to be sufficiently large to meet the additional grants, of Rupees 51,098 and 11,300 respectively, applied for by the Board of Revenue. These items have consequently been omitted in the present return, but care will be taken to apply for additional grants hereafter, should the Budget grants fall short, meanwhile the Civil Paymaster may be authorized to pass the charges in question.

5. The other items in the Proceedings of Government in the Revenue Department of the 30th December last, have been inserted in the statement as therein directed.

6. In future a *monthly Return* of the present description will be sent, as required in the Financial Department Circular of the Government of India, recorded in the Proceedings of the Madras Government, No. 34, dated the 19th ultimo, Financial Department.

No. 31. From J. L. LUSHINGTON, Esq., Acting Deputy Auditor and Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 26th March 1863, No. 444.

Budget and Finance Department.

1. As directed in the Proceedings of Government, dated the 24th instant, No. 94, Political Department, I have the honor to retransmit the "statement of further grants," with the addi-

tion of Rupees 32,000 under F III, Law and Justice, on account of remuneration to the Advocate General and Government Solicitor.

2. I have also to state that a sum of Rupees 4,000 has been added in the above statement, under the head F VIII, Marine, to the sum of Rupees 41,000 already provided, on account of Coals, agreeably to the Orders of Government in the Marine Department, under date the 9th instant, No. 85.

3. In paragraph 2 of my letter, dated the 7th instant, No. 442, I reported that the net additional grant required for the current year was Rupees 2,58,520, but by the addition alluded to in the two preceding paragraphs, the amount has been raised to Rupees 2,94,520.

No. 32 To the Secretary to the Government of India, Financial Department, dated Fort Saint George, 10th April 1863, No. 252.

I am directed by His Excellency the Governor in Council to transmit to you, to be laid before the Honorable the President in Council, the accompanying copies of letters from the Acting Deputy Auditor and Accountant General, together with a statement (in original) showing the further grants required on account of charges not provided for in the Civil Budget for the current year 1862-63.

Dated 7th and 26th March 1863, Nos 422 and 444.

2. The total amount of additional charges exhibited in this statement is Rupees 5,62,520, and the expected savings which may be taken in abatement of it are computed by the Accountant General at Rupees 2,68,000. Under the circumstances, however, which were explained in my letter of the 27th ultimo, No. 221, this Government see no necessity for the addition of Rupees 4,000 to the charges of the Marine Department; and, on referring to the monthly Returns, they are of opinion that a further saving of Rupees 1,00,000 may be safely calculated on under the head of Education, Science and Art which will reduce the amount of the additional grant to Rupees 1,90,520 for which the sanction of the Government of India is required.

3. A copy of the Proceedings of Government in the Revenue Department, dated 30th December last, No. 2,698, to which the Accountant General refers in his first letter of the 7th ultimo, is sent herewith for the information of the Government of India. These Proceedings explain the necessity of most of the charges provided for in the present statement. Copies of the Proceedings of Government explanatory of the additional charges adverted to in the Accountant General's second letter of the 26th ultimo, also accompany.
