Proceedings of the Madras Government, Financial Department,
22nd April 1863.

No. 65. Read the following letter from Lieutenant Colonel C. A. ORR, R. E., Mint Master ; to the Chief Secretary to Government, Fort Saint George, dated 18th April 1863, No. 326.

1. As the period for which Messrs. Scott and Clarke Covenanted with the Secretary of State for India to serve the Government as Founder and Pattern-maker in the Foundry attached to this Mint will expire on the 27th April 1864, and they are entitled to receive twelve months' notice in the event of their services not being required after that date, I have the honor to bring the circumstance to the notice of Government, and to state that, as they are both most useful, if not almost indispensable, in this establishment, and are exceedingly steady, respectable, and well behaved men, I think it very desirable that their services should be secured for a further period.

2. Mr. Scott wishes that his engagement may be allowed to run on from year to year on the terms of his Covenant, and therefore no action is required with respect to him ; but Mr. Clarke is desirous of renewing his for a term of five, or even seven years, and I have accordingly the honor to request authority to enter into a fresh Contract with him for a period of at least five years on conditions exactly similar to those by which he is now bound.

No. 66. ORDER THEREON, 22nd April 1863, No. 282.

His Excellency the Governor in Council authorizes the Mint Master to renew for a further period of five years the engagement of Mr. Clarke, the Pattern-maker in the Foundry attached to the Mint, on conditions similar to those by which he is now bound. Mr. Scott's engagement will be allowed to run on from year to year on the terms of his Covenant.
