Proceedings of the Madras Government, Financial Department,
29th April 1863.

No. 86. Read the following letter from H. A. MANGLES, Esq., Acting Deputy Auditor and Accountant General; to the Chief Secretary to Government, Financial Department, Fort Saint George, dated 28th April 1863, No. 473.

Resource Department.

In forwarding for orders a letter* in original from the Collector of Trichinopoly, under date the 20th instant, No. 14, together with its enclosures, I have the honor to state that the Collector of Tanjore applied to this office in December last for instructions as to the value at which similar coins alluded to in the above letter should be received in his Treasuries, informing me at the same time that different values prevail in different Taluqs. He was then instructed with reference to Proceedings of Government of India, Financial Department, No. 1,577, dated 28th February 1863, that the old coins should be received at their nominal value and that they should not be re-issued, but sent to the Mint as uncurrent Copper.

* To be returned.

2. The object of this was of course to withdraw them from circulation substituting in their place British Copper coins.

3. It now appears that the late Collector of Trichinopoly in November 1862, issued an order directing these coins to be received generally by the public, and stating that any one refusing to receive them would be punished.

4. This order must, I presume, have been passed under a misunderstanding of the wishes of the Government of India, as it would have the very opposite effect of what was intended in the above proceeding.

5. I would now beg the sanction of Government to my instructing the present Collector to issue a Notification in supercession of that of the late Collector Mr. McDonell, announcing that current half Anna, quarter Anna, and Pie pieces will be issued at the Treasuries of his District in exchange for old single and double Duddies at their nominal value, that they will be received at all Treasuries in payment of Government dues at the same rates, that they are not to be reissued again under any circumstances, but forwarded to the Mint at the first favorable opportunity.

6. It would be advisable if the same Notification was extended to Tanjore.

No. 87. ORDER THEREON, 29th April 1863, No. 303.

The Governor in Council authorizes the Acting Accountant General to instruct the Collectors of Trichinopoly and Tanjore to issue Notifications in their respective Districts to the effect proposed.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
