*Proceedings of the Madras Government, Financial Department,
4th May 1863.*

No. 3. Read the following Proceedings of the Board of Revenue, dated 21st April 1863, No. 2,310.

Read letter from the Honorable R. S. ELLIS, c. b., Acting Collector of Madras, to W. HUDLESTON, Esq., Secretary to the Board of Revenue, dated Saidapet, 23rd March 1863, No. 98.

1. With reference to the Board's order of the 8th January last, calling for a full report of the allowances of the Taliaries at Pulicat, I have the honor to state that, from the previous correspondence which passed on the subject, it appears that a salary of one Pagoda per mensem for each of the Taliaries was sanctioned by the Government of India, commencing from the 12th July 1842, in perpetuity as compensation for certain privileges and perquisites in the shape of toll fees, which they were accustomed to levy upon the traffic of the Pulicat Lake, and which were abolished under the orders of Government, and compensation in lieu thereof granted.

2. The Taliaries continue to render the service as watchmen assisting the Police, for which the allowances were granted to them.

Ordered to be submitted to Government with reference to their Order, dated 22nd December 1862, No. 890. It will be seen that the allowances of Taliaries of Pulicat are payable in lieu of resumed privileges, and not on account of the resumption of any land. It appears however that these Taliaries continue to render service as watchmen assisting the Police, for which the allowances were granted to them.
