No. 5. Read the following letter from H. A. MANGLES, Esq., Acting Deputy Auditor and Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 22nd April 1863, No. 468.

Budget and Finance Department,

A Supplemental Budget Estimate for 1862-63 having been received from the Secretary to the Commissioner of Coorg under date the 2nd instant, I have thehonor to request that you will be good enough to obtain the sanction of the Government of India for the transfer of Rupees 4,000 from "F II, Salaries and Expenses of Public Departments," to "B I, 1. Land Revenue," to meet the cost of the Revenue Survey establishment of Coorg, which is stated to have been organized under orders of the Madras Government in the Revenue Department, dated 1st September last, No. 1,856, which order has not been communicated to this office. The item in which there is an available saving under F II, is the salary* of the Chaplain in Coorg which has not been drawn since his retirement, for the performance of whose duties an allowance of Rupees 100 only per month is now granted. The saving is estimated by the Deputy Superintendent of Coorg, in his monthly rough estimate, to amount to Rupees 7,300.

* Rupees 980 per month.

2. The sum of Rupees 4,000 estimated as the Revenue Survey charges for 1862-63, includes Rupees 500 on account of pay of a Superintendent for Survey, for the month of March 1863, which allowance the Secretary to the Commissioner of Coorg states has not as yet been determined upon.

3. The original of the Supplemental Budget Estimate of the Secretary to the Commissioner of Coorg is herewith submitted, the amount of which, viz., Rupees 6,000, has been reduced in this office to Rupees 4,000, in consequence of the salaries of the present month, payable in the ensuing official year, having been improperly included therein.

No. 6. ORDER THEREON, 4th May 1863, No. 309.

In his letter of the 2nd May 1862, No. 5, the Commissioner for the affairs of Coorg applied for the services of a Survey party and stated that he would "at once apply to the Government of India for sanction to disburse the total cost of the Surveyor and his establishment out of the revenues of Coorg."

2. The subject was referred to Major Priestley who made certain recommendations which were forwarded to the Commissioner, who on the 2nd October last stated that the scale of establishment recommended by Major Priestley had received the sanction of the Government of India.

3. The Accountant General will see from the above that the entry in the Supplemental Budget submitted by him to the effect that the Coorg Survey has been organized "under the orders of the Madras Government" is erroneous.

4. With these remarks, the Governor in Council resolves to forward the Supplemental Estimate to the Government of India, and to solicit their sanction for the transfer of Rupees 4,000 from "F II, Salaries and Expenses of Public Departments" to "B I, 1, Land Revenue," to meet the cost of the Revenue Survey establishment of Coorg.

Chief Secretary.
