My dear Edward Randolph

I have seen the Accountant General, who thinks that as he is directed to Borrow if necessary, and that all the Credit is vested in the Governor he should at once authorize him to advance the money required for the Gloucester works. The Governor reading the Letter from the Chief Commissioners says it is immediately.

I have given

the Executive
Engineer's letters
of Credit on the
Collector of Rajah-
mundry for Rs. 120,000
which is all we
require for May.
If therefore Govt.
will at once sanction
this amount being
placed at my
disposal in the
Rajahmundry treasury
we shall be in

funds with be
much -
The Acc.t Genl &
thought the Telegram
might be sent
direct to the Chief
Secretary & so
save 1, or 2 days
but he will
consult the Govt.
Auditor, but
after hesitating half
an hour can told
me he is not coming
today - I therefore
return the Telegram
