Proceedings of the Madras Government, Financial Department,
20th May 1863.

No. 37. Read the following letter from W. HUDLESTON, Esq., Secretary to the Civil Fund; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 13th May 1863, No. 151.

Government have already been informed of the adoption by the Service of a modification of their Civil Fund Rules, thereby putting it on a provident footing similar to that of the Bengal and Bombay Funds, and I am directed by the Trustees to request that the Accountant General and Civil Paymaster may be authorized to arrange in communication with the Trustees for the receipt to the Fund's credit of the additional Subscriptions and Donations payable under the new rules in excess of those hitherto paid, under such regulations as to the system of accounts as they may consider necessary and proper to keep the additional income and accumulation of Capital distinct from that on which the Fund receives the special rate of Interest.

As these payments will commence from June next, the Trustees request the favor of early orders on the subject.

No. 38. ORDER THEREON, 20th May 1863, No. 339.

Resolved accordingly that the Accountant General and Civil Paymaster be authorized to give effect to the arrangement proposed by the Trustees of the Civil Fund in the foregoing letter.

Chief Secretary.
