19th January 1863.

No. 42. Read the following:—

Fort William, Financial Department, the 11th December 1862, Circular No. 1,122A.

In paragraph 43 of the letter from this Department, No. 4,089, dated the 21st June 1862, to the address of the Government of Madras, a copy of which paragraph was transmitted to each Local Government and Administration, it was directed that "when once the Budget Estimates "have been passed, special applications to this Government for sanction of alterations within "prescribed limits, and of fresh charges on account of Salaries and Establishments and Contin- "gencies, which may be met from Budget grants, shall not be necessary, and shall be superseded "by a monthly Return of all such alterations and charges to be transmitted by the Local Go- "vernment on the 1st of the month following that in which they may have been sanctioned."

2. His Excellency the Governor General in Council, with a view to the discontinuance of separate applications for further grants, now directs that, in addition to the former monthly Return above alluded to, which, under Resolution dated 19th November 1862, is to be divided into two statements, one of transfers merely, and another of fresh charges and alterations, (none of which necessitate any further grant) the latter being in sufficient detail to help an opinion as to the expediency of the alterations reported, a third monthly statement of such applications be henceforth submitted, and that the grounds of addition, and the Budget heads to which the additions appertain, be distinctly specified therein.

3. The three monthly Returns will then give—

1*st*. Transfers already provided for in the Budget, but which it is competent to the Local Authorities to effect, duly reporting the same to the Government of India.

2*nd*. Fresh charges or alterations also provided for in the Budget, *i. e.*, that can be met out of the grant already at the disposal of the Local Authorities, and that it is competent to the Local Authorities to allow during the current Budget year only, duly reporting the same to the Government of India.

3*rd*. Applications for further grants not provided for in the Budget.

(Signed) E. DRUMMOND,
