Proceedings of the Madras Government, Financial Department, 17th June 1863.

Read the following petition :—

No. 26. To His Excellency the Governor in Council,

Fort Saint George.

The humble petition of S. SOMASOONDRUM Moodeliar, son of the late S. VARADAPH Mooceliar, Bellary.

My guardian to V. Annasawmy Moodeliar (as I was a minor) reported to the Accountant General, in letter of the 13th December 1859, the loss of Government Promissory Note, No. 26,715 of 1854-55, for Rupees 2,000 of the 4 per cent. loan of 30th June 1854, with certain other jewels of my father the late Varadaph, in whose name it stood. He was favored with a reply† from the Accountant General informing him that he should himself advertise the loss of the Note in question three distinct issues of the Fort Saint George Gazette; that he should submit a statement of the case affording explanation of the loss of the said Note for the consideration of the Government of India through the Chief Secretary, and that should they be satisfied as to the loss of the Note, authority would be given for the issue of a duplicate at the expiration of two years from the date of the last advertisement, provided that he executes a Bond of Indemnity holding the Government harmless against the consequences of such re-issue, two years having already elapsed since the date of the last advertisement of the loss of the Note in question in Fort Saint George Gazette‡, I was on the point of applying as pointed out by the Accountant General. But under the impression that the Notification published in Fort Saint George Gazette, dated 21st April 1863, relieved me from troubling the Government, I addressed the Accountant General and was favored with a reply§ stating that I should pursue the directions contained in his original letter, and that the provisions of the said Notification are not intended to alter the practice hitherto existing.

* Copy herewith sent.

‡ Copy herewith forwarded.

‡ Vide copy of letter from the Superintendent of Government Press herewith attached.

§ Copy herewith sent.

I therefore lay my case before His Excellency for favorable consideration.

1. As mentioned above two years have already elapsed since the last advertisement.
2. No claim has been preferred to the Note in question by any other party.
3. The only remaining condition that I am to fulfil is, executing a Bond of Indemnity. But I am at a loss how to proceed about this. I therefore solicit instructions as to the mode and form in which it should be executed, whether in the presence of any public authorities, and attested by any of them. On receipt of these instructions. I will be prepared to excute the Bond in the form that is requisite.

In conclusion I beg to add, for the information of Government, that the amount for which the duplicate is to issue in my name should include the accumulated four per cent. interest from 31st December 1856, the last detad, up to which interest was drawn, vide copy of the endorsement on my application by Mr Blake, Deputy Collector of Bellary, herewith forwarded, expecting a favorable reply.

Bellary, 30*th May* 1863. (Signed) S. SOMASOONDRUM Moodeliar,
