Proceedings of the Madras Government, Financial Department, 18th June 1863.

No. 29. Read the following letter from R. W. LODWICK, Esq., Acting Deputy Auditor and Accountant General; to A. J. ARBUTHNOT, Esq, Chief Secretary to Government, Fort Saint George, dated 9th June 1863, No. 61.

Budget and Finance Department.

1. Referring to Government Order, No. 870,* dated 4th instant, I have the honor respectfully to submit for the consideration of His Excellency in Council, whether the orders of the Government of India, noted in the margin, have not done away with separate "*Supplemental Estimates*" altogether, and substituted in their place the Returns therein referred to.

* Judicial Department. Dated 11th December 1862, No. 1,122A.

2. A Return is, it will be observed, to be sent in monthly for fresh charges which cannot be met out of the Budget grants, and I would, therefore, submit that the proper course is for me to include every item which I find to be sanctioned in excess of the Budget in such a *Return* and to forward the same to His Excellency in Council for transmission to the Government of India.

No. 30. ORDER THEREON, 18th June 1863, No. 390.

His Excellency the Governor in Council considers it quite immaterial in which form application is made to the Government of India for additional grants required under the several heads of Service; whether in the form of a "Supplemental Estimate," or that of a "Return of further grants." He therefore leaves it to the Deputy Auditor and Accountant General to adopt the course indicated in the 2nd paragraph of his letter.

2. It is observed, however, that the Controller of Military Finance lately submitted "Supplemental Budget Estimates" for transmission to the Government of India; and the Governor in Council cannot see any valid objection to the use of that form, since the original Budget, in which most of the items now to be provided for have been omitted, has not yet been sanctioned by the Government of India.

Secretary to Government.
