Proceedings of the Madras Government, Financial Department,
19th June 1863.

No. 38. Read the following letter from R. W. LODWICK, Esq., Acting Deputy Audito and Accountant General; to the Chief Secretary to Government, Fort Saint George, dated 11th June 1863, No. 69.

Resource eDepartment.

I have the honor with reference to Governnment Resolution, No. 377, dated 10th instant, to state that the course suggested is identical with that followed at present by my Department.

2. I am in the habit of granting Bills on Ootacamund at 4 Annas per cent. premium up to 60,000 Rupees per mensem.

3. It used to be the rule to grant these Bills at par, but it seemed to me that when the convenience of the public was taken into account by Government, it was not right that the latter should be losers by the transaction, and I therefore have insisted on the rate of 4 Annas per cent. premium being given in the case of all Bills which I believe just about covers the cost of conveyance of coin from Coimbatore to Ootacamund.

No. 39. ORDER THEREON, 19th June 1863, No. 395.

The Accountant General is requested to state what is the average monthly amount for which Bills are applied for on the Ootacamund Treasury, and whether a larger sum than Rupees 60,000 could not be fixed as the limit; and if so, how much more could be given.
