Proceedings of the Madras Government, Financial Department, 24th June 1863.

No. 59. Read the following letter from Colonel T. McGOUN, Controller of Military Finance, Fort Saint George; to the Secretary to Government, Military Department, Fort Saint George, dated 16th June 1863A.

I have the honor to forward for submission to Government a letter from the Officer Commanding Centre Division, dated 4th May 1863, No. 35, recommending the extension of the advantage of the Government Savings' Bank to European Pensioners.

2. I see no objection to the proposal and should Government approve, I shall issue instructions to Officers paying Pensioners to receive deposits from the European Pensioners who may avail themselves of the indulgence.

From Major General W. A. McCLEVERTY, Commanding Centre Division; to the Controller of Military Finance, Madras, dated 4th May 1863, No. 35.

Having reference to the want of facility afforded to European Military Pensioners in this Division, to take advantage of the Government Savings' Bank and acquire thereby habits of economy, I would venture to suggest that at all stations in this Presidency where there are Military Officers charged with the payment of European Pensioners both of the British and Indian Forces the same plan be pursued as was authorized for the European Veteran Company in 1861; a class who were not included in G. O. G., No. 287, dated 26th June 1860.

2. At the present time Pensioners resident at Cuddalore, Vellore, Palaveram, St. Thomas' Mount and Poonamallee, are indirectly precluded from availing themselves of the boon granted by Government to effective Soldiers.

3. The payment of a Clerk could be regulated by the number of Pensioners and depositors resident at a station.

Referred to the Financial Department.
