REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Proceedings of the Madras Government in the Financial Department, dated 18th December 1862, No. 880:—

Read the following Extract from the Proceedings of the Government of India, Financial Department, dated 18th November 1862, No. 978A.

1. In the foregoing Proceedings, which have been communicated *direct* to the Deputy Auditor and Accountant General, the Government of India intimate that in the Budget for 1863-64 fixed sums may be entered as Reserves under B IV, and F IX.

2. The Accountant General will accordingly give effect to this Resolution and make the requisite provision for "unforeseen Contingencies" in the Budget now under preparation. It is observed that in the Budget for 1862-63 the Reserve of Rupees 25,000 on the above account under F IX, Miscellaneous, and of Rs. 50,000 under F X, Civil Contingencies, was struck out by the Government of India without any reason being assigned for the exclusion of these two items. The Governor in Council is of opinion that the Reserve to be provided for in the Budget of the ensuing official year should not be less than the amount originally entered on that account in the Budget for the current year.

Vide letter from the Secretary to the Government of India, Financial Department, dated 21st June 1862, No. 4,089, paragraphs 30 and 31.
