Proceedings of the Madras Government, Revenue Department,
30th July 1863.

No. [illegible] Read the following letter from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 22nd July 1863, No. 420/49 :—

SIR,

1. Referring to paragraph 5 of the Order of Government dated 20th instant, No. 1,348, I have the honor to state that the only item entered without full explanation in the Budget Estimate of my Department for the year 1863-64, submitted with my letter of the 19th November 1862, No. 1,418, was the sum of Rupees 10,000 for Miscellaneous or Unforeseen Charges. I have no means of ascertaining the items of which the remainder of the Rupees 18,665 objected to by the Government of India is made up, or what the sum of Rupees 4,000 stated to have been provided for other items in the estimate for 1862-63 consists of. In the original Budget Estimate for the last named year, the object to which each item was to be devoted is distinctly stated, and in the revised Estimate for the same year, submitted with my letter of the 11th April 1862, No. 475, and sanctioned by Government in their Order of the 3rd May 1862, No. 969, the only unexplained item is that of Rupees 10,000 entered, as in the current year, for Miscellaneous or Unforseen Charges.

2. Although I am thus unable, from want of information as to the particular items objected to, to furnish fully the explanation called for by Government, I may venture to state that under the present altered circumstances of the Department, the amount struck out by the Government of India, viz., Rupees 14,665, will not be required during the current year.

No. 547. ORDER THEREON, 30th July 1863, No. 1,424.

As the amount struck out by the Government of India will not be required, no further orders are necessary on the subject.
