MILITARY DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter :—

From the Controller of Military Finance, Fort Saint George, 24th July 1863, *B; to the Secretary to Government, Military Department, Fort Saint George.*

I have the honor to forward for submission to Government, a letter from the Deputy Commissary General, dated 22nd July 1863, No. 3316, with enclosure.*

**Dated July 1863, No.*

2. Captain Hawkes, Deputy Assistant Commissary General, asks whether the Collateral Securities which he is required to furnish, may one or both be met by the Bond of the "Albert and Medical Life Assurance Society."

3. It does not occur to me that there can be any objection to a full compliance with Captain Hawkes' request. A single Bond for the aggregate amount of the two Collateral Security Bonds appears to me to offer fully as tangible Security as that which is contemplated by the Regulations; and the constitution of the Company offers a guarantee which the Bond of a single individual would not afford.

4. I would, however, submit the question for the decision of Government, as the proposal is now as regards Security required from Officers holding Military appointments in this Presidency.

ORDER, No. 2475, *30th July* 1863.

The Governor in Council is of opinion that the Collateral Securities required from Captain Hawkes, may be met by a single Bond executed by the "Albert and Medical Life Assurance Society" for the full amount.
