Proceedings of the Madras Government, Financial Department,
27th August 1863.

No. 70. Read the following Despatch from the Right Honorable Sir C. WOOD, Bart., Secretary of State for India ; to His Excellency the Honorable the Governor in Council, Fort Saint George, dated India Office, London, 24th July 1863, No. 52.

1. I have received and considered in Council your Financial letter of the 28th May 1863, No. 11, forwarding explanations with regard to the demands for Steel and Copper, included in your Mint Indent of the 20th January last.

2. Under the explanations now afforded, I have sanctioned the supply of 8 tons of Steel demanded in the Indent.

3. With regard to the 700 tons of Copper which the Mint Master suggests should be sent to Madras at the end of the year 1864, I have to request that you will forward a demand in the early part of the next year, for such a quantity of Copper as may then appear to be required by the Mint, as requisitions made so far in advance are liable to error, and to be overlooked at the time when they should be fulfilled.

No. 71. ORDER THEREON, 27th August 1863, No. 547.

Ordered that a copy of the foregoing Despatch be furnished to the Mint Master for his information and guidance, with reference to his letter, dated 22nd May last, No. 19.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
