Proceedings of the Madras Government, Financial Department, 4th September 1863.

No. 7. Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 7th August 1863, No. 3,680.

Read letter from the Madras Government, No. 310, dated 4th May 1863, requesting sanction for the transfer of Rupees 4,000 from F II, "Salaries and Expenses of Public Departments," to B I, 1, "Land Revenue," in the Budget Estimates of the Province of Coorg for 1862-63, to meet the cost of the Coorg Revenue Survey establishment for that year.

Read also Extract from the Proceedings of the Foreign Department, No. 218, dated 23rd July 1863, authorizing the Commissioner of Coorg to draw in advance such sums as may be required from time to time, on account of the Survey establishment of Coorg.

OBSERVATIONS.—On the 10th April 1863, the Commissioner of Coorg forwarded to the Civil Paymaster, Madras, for audit, an Abstract for the pay and allowances of the Coorg Survey Party for February 1863, and another for the travelling allowances of the Revenue Surveyor in charge of the Party.

The Civil Paymaster returned these bills unaudited, stating his inability to pass them until a Supplementary Budget has been sanctioned by the Government of India, but suggested that permission be obtained for drawing advances subject to subsequent adjustment.

The Commissioner of Coorg accordingly applied to the Home Department, which Department has authorized his taking up such advances as may be necessary from time to time.

It does not, however, appear from the papers above recorded, whether or not any payments were actually made on account of the Coorg Survey in the course of the year 1862-63. If none were made, the transfer of 4,000 Rupees for that year, the sanction of which the Madras Government has requested, is no longer necessary.

RESOLUTION.—The President in Council therefore inquires whether any payments were made in 1862-63, and, if made, how and in what way they were recorded; and, to the extent of the payments that may have been made in that year within the amount of 4,000 Rupees, His Honor is pleased to sanction a transfer of the Budget grant for Coorg for that year, under F II, "Salaries and Expenses of Public Departments," to B I, 1, "Land Revenue."

For the current year 1863-64, a Supplementary Budget Estimate of the Coorg Survey charges will be forwarded by the Madras Government, which should also include any unpaid charges of 1862-63. Meanwhile, authority is granted for making advances to the Survey Party in anticipation of the sanction of the Supplementary Estimate.

Ordered, that a copy of the above be sent to the Home Department, Auditor General of India, Government of Madras, Deputy Auditor and Accountant General, and Civil Paymaster, Madras, and Commissioner of Coorg.
