With reference to my Despatch of the 16th September 1862, No. 61, (to which no reply has yet been received) requesting that the packing accounts of Stores sent to your Presidency might not be retained in India beyond 3 months from the date of their receipt, I herewith forward to you an Extract of a Despatch, which has been addressed to the Government of India on the subject; and have to inform you that lists of delayed packing accounts, similar to those therein described, will, in future, be forwarded half yearly to your Government.

2. I trust, therefore, that every effort will be made to return the accounts within the prescribed period, and I have given orders that, for the future, lists shall be forwarded to you half yearly of all packing accounts that may not be received at this office within 8 months of the date of their despatch from England, allowance being thus made for the time occupied in their transit to and from India, and for any interval that may occur between the receipt of the packing accounts in India and the arrival of the stores.
