Proceedings of the Madras Government, Financial Department, 7th January 1863.

No. 5. Read the following letter from J. ROHDE, Esq., Inspector General of Jails; to A. J. ARBUTHNOT, Esq., Chief Secretary to the Government of Fort Saint George, dated Ootacamund, 26th December 1862, No. 684.

In acknowledging the Proceedings of Government, 23rd December 1862, No. 893, calling for an explanation of the increase in the Budget Estimates for 1863-64, over those for 1862-63, I have the honor to submit that the anticipated increase in the daily average of 1,882, in the number of prisoners is the principal cause of the higher rate. That a difference of Rupees 42,155 appears in the Police charges, which excess is reduced by 6,128 Rupees entered under the head of extra Guards last year, and 12,100 Rupees by which the Estimate for Police Guards was deficient. I noticed an enhanced rate in the diet charged, particularly at Chicacole and pointed it out, but in this case I had reason to believe the total amount would not be more than sufficient. Besides this, European medicines amounting to 9,206 Rupees have this year been entered in the bill, and 31,228 for diet and contingencies of subsidiary Jails hitherto paid by the Magistracy has been entered, 1,054 Rupees has been entered for the Paulghat Establishment and other charges consequent on the necessary removal of the gang to that place.

No. 6. ORDER THEREON, 7th January 1863, No. 5.
