No. 69. Read the following letter from E. H. LUSHINGTON, Esq., Secretary to the Government of India, Financial Department; to the Officiating Civil Paymaster, North-Western Provinces, dated Fort William, Council Chamber, the 31st August 1863, No. 4,240.

I am directed to acknowledge the receipt of your letter, No. 62-148, of the 12th instant, and to state that the mode of remunerating one Military Officer acting for another Military Officer in Civil employ by half the difference between the full salary and the pay and allowances of the absentee is superseded, as regards Military Officers in the Police, by the new Rule of 5th August 1863, which gives, instead, a deputation allowance.

2. An Officer of the Staff Corps not holding a substantive appointment in the public service, and officiating for an Officer of Police, will receive his Staff Corps pay, and deputation allowance at 50 per cent. on the mean between the maximum and minimum salary of the class to which he is appointed, provided that his total allowances do not exceed the minimum salary of the class.

3. It is understood that the appointment of Assistant Inspector General of Police in the North-Western Provinces, was designed as an inferior class of appointment for Uncovenanted Officers, and a copy of the authority on which more than the consolidated Civil salary of the post, Rupees 250, has been given to Military Officers serving as Assistant Inspectors General of Police, should be submitted by you.

4. Under the Rules of 5th August 1863, a Military Officer acting in the Police on deputation allowance will not succeed to full salary except on his permanent appointment to the post or class in which he may be officiating.

5. Uncovenanted Officers of Police are to receive deputation allowance under the Rules of 5th August 1863, the minimum of Rupees 200 a month being inapplicable to them.

Ordered, that copies of the above letter be forwarded to the Foreign Department, and to the Governments and Civil Paymasters in Bengal, Madras, Bombay, and the Punjab, as well as to the Government of the North-Western Provinces.

Ordered, also, that a copy of the above be forwarded to the Home Department, with reference to the Memorandum from that Department, No. 3,485, of the 30th May 1863, from which it is concluded that the post of Assistant Inspector General of Police, is not tenable by a Military Officer except on the footing, at least as to salary, of an Uncovenanted Officer, Military pay not being issuable in addition to the Civil salary of Rupees 250 a month.
