Proceedings of the Madras Government, Financial Department,
19th October 1863.

No. 53. Read the following letter from R. W. LODWICK, Esq., Acting Deputy Auditor and Accountant General, Madras; to the Chief Secretary to the Government of Madras, dated Fort Saint George, 14th October 1863, No. 224.

I have the honor, with reference to Government Order, No. 658, dated the 10th instant, to state that His Excellency in Council is correct in supposing that the Treasury Orders referred to, will remain unadjusted until a grant is made to the extent of the sum paid thereon, but not in thinking that the said grant will be for the *current year*.

2. A statement of savings which accrued during the year 1862-63 is now under preparation in this Department, and if it be found that there is an amount sufficient to meet the charge under notice, a note to that effect will be made in the appropriation Audit Statement, and the charge will then be adjusted on the order of His Excellency in Council.

3. Should the savings however be insufficient, a fresh grant for 1862-63 will be required, and will be demanded in the appropriation Audit Statement.

No. 54. ORDER THEREON, 19th October 1863, No. 675.

To be recorded.
