Proceedings of the Madras Government, Financial Department, 25th January 1861.

No. 49. Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 15th December 1860, No. 12,394.

Read the following papers connected with the revision of the Pension Rules for the Uncovenanted Service of Government:—

Despatch from the late Honorable the Court of Directors, No. 21 of 1855, dated 28th February.

Financial Letters, dated 14th June 1855, 19th May 1856, and 9th January 1857.

Replies to the above letters.

RESOLUTION.—In September 1854, this Government submitted, for the consideration of the late Honorable Court, the position of the Uncovenanted Officers and subordinates of the Department of Public Works, who were then excluded from the benefit of the Uncovenanted Service Pension Rules. The Government also pointed out that some amendment was necessary in regard to the cases of highly paid appointments of from £1,000 to 2,400 per annum, the occupants of which appointments, if invalided after 30 years' service, were entitled under the rules to receive half pension varying from £500 to 1,200 per annum; whereas a Covenanted servant after 25 years' service received a pension from Government of only £500 per annum in any case. This Government further suggested that it might be authorized to make a general revision of the Pension Rules.

2. The Court, in reply, allowed the servants of the Public Works Department to participate in the benefit of the rules, and desired that pensions should, in future, not exceed £500 per annum. In regard to the suggestion for a general revision of the rules, the Court remarked—"We shall be ready promptly to consider the subject of any further alterations, which may appear to you to be desirable; but we desire that no alterations be made until they shall have been sanctioned by us."

3. On receipt of this Despatch, the local Governments and the several Auditors in Bengal were called upon, on 14th June 1855, to furnish statements for 1st May 1855, shewing the numbers and grades of Uncovenanted servants drawing more than 10 Rupees per month, who were then excluded from the Pension Rules, and also the probable expense of their admission to the benefit of those rules.

4. In accordance with this call, returns were received in 1856. But as on examination they were found defective, amended returns were called for on 9th July 1857.

5. Amended returns were accordingly furnished from all the authorities except the Government of the North Western Provinces, which, in consequence of the breaking out of the mutiny, had not furnished any.

6. Since 1857, however, several new classes of Uncovenanted servants which were formerly ineligible to pension have, under the orders of the Secretary of State, been admitted to the benefit of the rules, such as the

Supreme Court Establishments,
Servants in the Marine Department of the Public Service,
Ditto in the Telegraph Department,
Civil Court Ameens.

7. It appears further that circumstances have so materially altered since 1855, that the returns received for that year can hardly be of any use now, and His Honor the President in Council accordingly directs that fresh returns in the form annexed to this Resolution, for 1st May 1860, shewing the numbers and grades of Uncovenanted Servants drawing more than 10 Rupees per month, who are now excluded from the operation of the Pension Rules, and also the probable expense to Government, if those classes were admitted to the benefit of the rules, be called for from the several Governments and Auditors concerned, with a view to the submission of a set of Revised Pension Rules to the Secretary of State.

Proceedings of the Madras Government, Financial Department, 25th January 1861.

Ordered, that a copy of the above Resolution be sent to the Governments* Departments† and Officers,‡ noted in the margin, for the purpose indicated above.

No. 211. FINANCIAL DEPARTMENT.

FROM
T. PYCROFT, Esq.,
Chief Secretary to the Government of Fort Saint George,

To
THE SECRETARY TO THE GOVERNMENT OF INDIA,
FINANCIAL DEPARTMENT.

SIR,

With reference to the Proceedings of the Government of India, dated 15th December last, No. 12,394, I am directed by His Excellency the Governor in Council to forward a copy of a letter from the Acting Civil Auditor enclosing a Tabular Statement of the number and grades of Uncovenanted Servants in this Presidency drawing more than ten Rupees a month, who are excluded from the operation of the Pension Rules. The probable expense of admitting them to the benefit of the Rules is shown to be Rupees 9,300 a year.

I have the honor to be,
Sir,
Your most obedient Servant,

FORT SAINT GEORGE,
24th April 1861.

Chief Secretary.

From W. WATERFIELD, Esq., Officiating Civil Auditor, to T. PYCROFT, Esq., Chief Secretary to Government, Financial Department, Fort Saint George, dated 8th April 1861, No. 134.

With reference to the Order of Government dated 25th January last, No. 40, I have the honor to submit for transmission to the Government of India a Tabular Statement of the numbers and grades of servants, drawing more than Rupees 10 on the 1st May 1860, but excluded from the benefits of the Superannuation Pension Rules.

It will be observed that they belong chiefly to the Kurnool Irregular Horse and various Sibundi Corps, the Mint and Assay Departments, the Forest Conservancy, the Private establishment of Government House and to the Presidency Courts.

The sum paid last year in Superannuation Pensions was nearly Rupees 2,60,000, while salaries of the eligible grades amounted to Rupees 80,00,000, taking in the same proportion one thirtieth of Rupees 2,79,000 the pay of the Offices now under consideration, I arrive at the result that the probable expence to Government of admitting them to the benefits of the Pension Rules will be Rupees 9,300 a year.

LIST of the number and grades of Uncovenanted Servants in the Presidency of Madras, drawing more than ten Rs. a month, who are now excluded from the operation of the Pension Rules.

Resolution.—The revised Returns of Uncovenanted Servants in India who draw more than 10 Rupees per mensem but are ineligible to pension under the Rules of 4th January 1831 having been received and consolidated in this Office, it now becomes necessary to determine what classes are to be selected for admission to the benefits of those Rules. Many of the functionaries enumerated have only a local existence. Also it is not improbable that employés in one part of India may have different duties and responsibilities from those performed elsewhere by men bearing an official designation identical with their own. Under these circumstances, it is not easy for the Government of India, unprovided with those explanations which local authorities can alone supply, to arrive at a correct appreciation of the position in the public service held, either absolutely or relatively towards each other, by the various classes to be affected by the measure now in contemplation. And His Excellency the Governor General in Council is accordingly pleased to resolve that copies of the consolidated Return shall be forwarded to the local Governments and Administrations, with the request that they will be good enough to specify the classes which they would severally propose to bring within the operation of the Pension Rules. In making this selection care must be taken that those only are recommended for the boon, whose claims to it are really undeniable; and in each case it will be necessary that the grounds of the recommendation should be fully and clearly detailed.

Ordered, that copies of the foregoing resolution, and of the Statement therein referred to, be forwarded to the Foreign, Military, Public Works, and Marine Departments, and the Governments of Bengal, Madras, Bombay, the North-Western Provinces, and the Punjab.

(A true Extract.)

(Signed) EDMUND DRUMMOND,
Secretary to the Government of India.

SIR,

1. With reference to the Proceedings of Government No. 328, of the 13th ultimo, I have the honor to submit the returns called for by the Government of India on the subject of bringing within the operation of the Pension Rules those classes of Uncovenanted Servants (receiving a salary of more than 10 Rupees per mensem) who were excluded from the benefit of the Pension Rules of 1831.

2. You will observe from the explanation offered in each case, in the column of remarks, that these classes of servants (exclusive of Herbarium Keeper) are constantly exposed to risks, danger and privations, which public servants of other Departments do not encounter, and I beg to recommend that the Government will be pleased to admit them to the benefit of the Pension Rules now under contemplation.

No. 307. From W. HUDLESTON, Esq., Secretary to the Board of Revenue, to J. D. SIM, Esq., Secretary to Government, Revenue Department, dated Madras, 19th May 1863, No. 2,959.

Sir,

In reply to the Government Order dated 13th February 1863, No. 328, forwarding a List of servants drawing more than Rupees 10 per mensem, but hitherto deemed ineligible for Pension under the Rules for 1831, and desiring the Board to specify the classes of such servants whom they would bring within the operation of the Pension Rules, I am directed by the Board to submit the following List relating to the Revenue Department.

LIST.

Included in the Bengal List.

Appraisers. 1. The Officer of this denomination in the Sea Customs House has very responsible duties, and on grounds of general good policy, it appears desirable to hold out to him the prospect of a Pension for good service. From the note in the List it would seem that the claim is not disputed.

Cashiers. Shroffs. 2. The note in the List states that a Cashier is entitled to Pension only when his duties are those of a Treasurer. Adopting this rule, Hoozoor and Talook Shroffs seem equally entitled to Pension benefits.

3. Although it is undesirable to designate them Cash-keepers, for fear of lessening the sense of responsibility on the part of the Tahsildars and Serishtadars, the Talook Shroffs, in all matters of receipts and disbursements, perform duties analogous to those of a Cash-keeper. In the Hoozoor Treasury the Shroffs attend to the receipt and issue of Coin, Postage labels, and Stamps. The detailed Statements of Coins received and issued, and the rough Treasury Chittah are prepared by them.

4. Under Government Order dated 27th April 1860, No. 663, Revenue Department, Shroffs are required to give security in common with Cash-keepers.

Proceedings of the Madras Government, Revenue Department, 19th June 1863.

Surveyors. 5. The work is laborious and responsible; the qualifications for an efficient Officer not easily met with; the demand for such Officers considerable; the cost of their work frequently repaid to Government by private parties. It seems desirable to admit them to the benefit of the Pension Rules as an encouragement to the faithful performance of the duties, when the Officer is in permanent employment.

Official Memorandum from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 26th May 1863, No. 618/37.

As requested in the Acting Deputy Secretary's Official Memorandum of this day's date the Officiating Director of Revenue Settlement has the honor to forward a copy of his letter to the Secretary to Government, dated 16th February 1863, No. 194.

No. 308. From R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 16th February 1863, No. 194/19.

Sir,

Referring to the Order of Government, dated 13th instant, No. 328, calling for a return of the classes of Uncovenanted Servants which may properly be brought within the operation of the Pension Rules, I have the honor to report that the only classes of servants employed in this Department, not already eligible to receive pensions, are Jemadars, Duffadars, Moochees, Dufterbunds, Peons and Sweepers, in none of whose cases are there grounds sufficient to warrant my recommending any change in the existing rules.

No. 309. Official Memorandum from R. E. MASTER, Esq., Officiating Director of Revenue Settlement, to J. D. SIM, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Madras, 26th March 1863, No. 366/25.

In reply to the Official Memorandum from the Deputy Secretary to Government, dated 26th instant, No. 63, the Officiating Director of Revenue Settlement has the honor to state that in his letter of the 16th February 1863, No. 194, he reported that there were no servants on his Establishment not already eligible to pension whom he would recommend to be brought under the Pension Rules.

No. 310. Order thereon, 19th June 1863, No. 1,080.

1. The Governor in Council considers that the following officers entered in the list* received from the Government of India should be expressly declared eligible for pension, as in fact they are, though they are not mentioned in the Pension Rules.

* Extract Proceedings Government of India, Financial Department, 24th December 1862, No. 1,422 G.

Herbarium Keeper.—There is also only one officer of this class, his pay is 25 Rupees. His duties require intelligence and training.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following Extract from the Proceedings of the Government of India, in the Financial Department, dated 24th December 1862, No. 1,422 G.

Read again the undermentioned papers:—

Resolution passed in this Department on the 15th December 1860, calling for revised Returns of Uncovenanted Servants who draw more than 10 Rupees per mensem but remain excluded from the operation of the Pension Rules.

Returns submitted in reply to the above requisition, and subsequent correspondence on the subject, viz:—

June "	"	161 to 173

Read the further Returns noted below:—

Endorsement from the Under-Secretary to the Government of the North Western Provinces, No. 1,423*a*, dated the 21st July 1862, and two enclosures.

Ditto from the Public Works Department, No. 2,875, dated the 28th July 1862, and one enclosure.

Ditto from ditto, No. 2,979, dated the 5th August 1862.

Office Memorandum from ditto, No. 3,412, dated the 4th September 1862.

Read a consolidated Statement prepared in this Office from the Returns above referred to.

Resolution.—The revised Returns of Uncovenanted Servants in India who draw more than 10 Rupees per mensem but are ineligible to pension under the Rules of 4th January 1831 having been received and consolidated in this Office, it now becomes necessary to determine what classes are to be selected for admission to the benefits of those Rules. Many of the functionaries enumerated have only a local existence. Also it is not improbable that employés in one part of India may have different duties and responsibilities from those performed elsewhere by men bearing an official designation identical with their own. Under these circumstances, it is not easy for the Government of India, unprovided with those explanations which local authorities can alone supply, to arrive at a correct appreciation of the position in the public service held, either absolutely or relatively towards each other, by the various classes to be affected by the measure now in contemplation. And His Excellency the Governor General in Council is accordingly pleased to resolve that copies of the consolidated Return shall be forwarded to the local Governments and Administrations, with the request that they will be good enough to specify the classes which they would severally propose to bring within the operation of the Pension Rules. In making this selection care must be taken that those only are recommended for the boon, whose claims to it are really undeniable; and in each case it will be necessary that the grounds of the recommendation should be fully and clearly detailed.

Ordered, that copies of the foregoing resolution, and of the Statement therein referred to, be forwarded to the Foreign, Military, Public Works, and Marine Departments, and the Governments of Bengal, Madras, Bombay, the North-Western Provinces, and the Punjab.

Proceedings of the Madras Government, Financial Department,

No. 60. From T. G. CLARKE, Esq., Magistrate of Police; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 24th March 1863, No. 17.

1. With reference to the Order in the Judicial Department, dated 19th February 1863, No. 225, forwarding a Statement of Uncovenanted Servants drawing more than ten Rupees per mensem, in grades not eligible to pension under the Rules of the 4th January 1831, I beg to observe that in this list the Town Police Magistrates, including Deputy and Assistants, under the Governments of India and Bengal, inclusive of the Straits Settlement, are entered as being eligible to pensions; while it would appear from the omission of similar offices in the columns for Madras, Bombay, the North-Western Provinces, and the Punjab, that Uncovenanted Servants filling such offices, under those Governments, are held to be entitled to pensions, under the Rules above quoted. It may, however, be as well to state that in this Presidency, Uncovenanted Magistrates of the Town Police, have been admitted to the benefit of the Superannuation Rules; and as Judicial Officers, I presume, they come under the same Rules under which such Officers in the Provinces are pensioned.

2. The several Clerks and Interpreters in the Town Magistrate Courts being eligible to pension, under the Rules of the 4th January 1831, with the exception of the Cash-keeper, I would respectfully and earnestly recommend that the Cash-keeper of this Court be also granted the boon, on the ground that his duties are not only quite as onerous, but quite as responsible, as those of a Treasurer. It is not merely the shroffing of money; but the onus of collecting the several fines inflicted day after day, and accounting satisfactorily for the same rests upon the Cash-keeper; besides the preparation of the several Statements and Account particulars. For the last three years, on an average, Rupees twenty-one thousand and two hundred per annum have passed through the hands of the individual, who now holds the office; although his pay is only twenty-five Rupees per mensem, I am of opinion that persons in so responsible a position should be allowed the boon of retiring upon a pension after long and faithful service—a boon which generally speaking, would afford the best guarantee for the honest and zealous discharge of the duties of an office.

No. 61. From JOHN URQUHART, Esq., Coroner of Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 1st April 1863.

I have the honor to state with reference to the Order of Government, dated February 19th, 1863, that there are in my Office the Uncovenanted Servants noted in the margin* drawing more than ten Rupees per mensem, of whom the Constable and the Head Talliar are not eligible to pension under the rules of January 4th, 1831.

* The Coroner.
Interpreter.
Constable.
Writer.
Head Talliar.

2. I beg to recommend that both of these Uncovenanted Servants be brought within the operation of the Pension Rules.

3. The Constable must devote all his time to his official duties, and cannot accept any other fixed employment; as although during part of the day he may not be actively engaged, he is liable at any hour, night or day, to be called upon to act. He has to summon every Jury, and to attend all Inquests, and adjourned Inquests.

4. The Head Talliar's duties are to attend all Inquests, and adjourned Inquests, and to remain in the Coroner's Office during the day, when not otherwise engaged on duty.

5. Both these servants are obliged to attend to duty on public holidays, and on Sundays; and cannot avail themselves of privilege leave.

6. The Coroners of Calcutta and Bombay are mentioned as being not eligible to pension under the Rules of the 4th January 1831, but the Coroner of Madras is not mentioned.

7. Should Government be of opinion that the Coroner of Madras is not eligible under the Rules of the 4th January 1831, I trust that the very great increase of work which has taken place in the Coroner's Office since the time these rules were made, the necessity there is on the

part of the Coroner, to be at all times ready, day or night, to receive reports; and his inability to take advantage of Sundays, public holidays, or privilege leave without providing a substitute, may receive the favorable consideration of Government, in determining the classes to be selected for admission to the benefits of the Pension Rules.

No. 62. From Lieutenant Colonel W. J. WILSON, Commissioner of Police; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madras, 2nd June 1863, No. 74.

With reference to the Order of Government noted in the margin, I have the honor to report that the only Uncovenanted Servant attached to this Department, whose pay exceeds 10 Rupees a month, and who is not eligible to pension under the present rules, is the office Moochee.

Financial Department, dated 9th February 1863, No. 90.

2. He attends office as the other servants, and I am not aware of any reason why he should not be entitled to a pension.

His pay is 14 Rupees a month.

No. 63. From Colonel JOHN IMPETT, Sheriff of Madras; to the Chief Secretary to Government, Fort Saint George, dated Madras, 19th June 1863, No. 3.

With reference to the Order of Government in the Judicial Department, 19th February 1863, No. 255, and the Memorandum from the Acting Deputy Secretary to Government, dated 22nd ultimo, No. 113, and to my letter to you of the 26th ultimo, which remains still unanswered, I have the honor, with the view of avoiding further delay, to forward herewith a Return of the class of Uncovenanted Servants in my office, drawing more than 10 Rupees per mensem, whom I would recommend being brought within the operation of the Pension Rules. This recommendation is founded on the assumption that the class of servants in question is excluded from the benefit of the Pension Rules, as appears to be the case, if the 18 Bailiffs mentioned in the list appended to the Resolution of the Government of India in the Financial Department, dated 24th December 1862, No. 1,422G, include that class of servants employed in this Department.

SHERIFF OF MADRAS.

Return of the Class of Uncovenanted Servants employed in the office of the Sheriff of Madras, drawing more than Rupees 10 per month, recommended to be brought within the operation of the Pension Rules.

Designation.	No. of Men.	Amount of salaries per month.	Grounds of recommendation.
Bailiffs.....	4	Rupees 220..... At Rupees 55 each.....	The duties of the Bailiffs are of a very arduous and responsible nature and they appear to be as much entitled to the benefit of the Pension Rules as any other class of public servants.

(Signed) JOHN IMPETT,
Sheriff.

No. 64. From Colonel JOHN IMPETT, Sheriff of Madras; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 26th May 1863, No. 3.

With reference to the Order of Government in the Judicial Department, dated 19th February 1863, No. 255, I have the honor to request that you will be good enough, if possible, to inform me, without delay, whether the four European Bailiffs in the Sheriff's Department are included in the 18 Bailiffs mentioned in the Statement of servants not eligible to pensions under the Rules of the 4th January 1831.

Proceedings of the Madras Government, Financial Department,
21st October 1863.

No. 65. From Reverend A. H. ALCOCK, M. A., Commissary of the Diocese; to the Chief Secretary to Government, Fort Saint George, dated 27th May 1863.

With reference to the Memorandum of the Deputy Secretary to Government, dated 22nd instant, No. 113, calling for revised Returns of Uncovenanted Servants who draw more than 10 Rupees per mensem and are now excluded from the benefits of the Superannuation Pension Rules, but to whom it is proposed to extend those Regulations, I have the honor with reference to the Proceedings of Government in the Financial Department, forwarded therewith, to recommend that the Clerks and Sextons employed in the several Churches within the Diocese of the Archdeaconry of Madras be admitted to the benefits of the Pension Rules.

The various duties and the nature of the work performed by the Clerks and Sextons, or Superintendent, in the Churches, have been detailed by the Venerable the late Archdeacon Henry Harper on the 2nd February 1833, and have been approved by the Government in Extract Minutes of Consultation 12th February 1833, No. 22. It will be observed from Mr. Harper's letter that the duties of these servants are fully as onerous and not much less arduous than those of the various classes of servants on the receipt of equal salaries in public offices who now share in the benefits of these Pension Rules, and on these grounds, I beg respectfully to recommend that the Clerks and Sextons on Church establishments, who draw more than 10 Rupees a month, may be declared eligible to Superannuation pension.

No. 66. From Major R. S. WILSON, Government Agent at Chepauk, and Paymaster of Carnatic Stipends; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated 13th June 1863, No. 154.

I have the honor, in reply to G. O., No. 56, dated 21st February 1863, to submit a Return to the only person in the establishment of the Government Agent at Chepauk and Paymaster of Carnatic Stipends, who I consider eligible to be brought within the operation of the Civil Pension Rules.

Return of the Class of Uncovenanted Servants, on the establishment of the Government Agent at Chepauk and Paymaster of Carnatic Stipends, proposed to be brought within the operation of the Civil Pension Rules.

No. 67. From Colonel CHARLES DENISON, Acting Private Secretary to His Excellency the Governor; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Guindy Park, 20th April 1863.

1. Adverting to the Resolution of the Government of India, communicated in Proceedings of Madras Government, dated 19th of February 1863, No. 194, I have the honor to forward a list A of the Government House servants who receive a salary of more than 10 Rupees a month, and also a list B exhibiting the classes, and numbers under each class, whom I would propose to bring under the operation of the Pension Rules.

2. Each Governor's tenure of office is for a certain term of years, and on his arrival, he takes the house establishment as it stands; not long after probably finds that from one cause or another, but especially from old age, they are several servants whose services are neither efficient nor useful. At present, it is not an easy matter to get rid of these unserviceable men, in some instances they may have done long and good service, and their conduct being still good, it becomes an invidious task to discharge them, if pensions were available after a certain period of service, this difficulty would be removed, and moreover, the power of bestowing pensions on old

and deserving servants would have the effect of drawing a marked line between those on the Government House establishment, and those on private establishments, which would not be without its advantage, as it would enable us probably to get the best class of men.

There are other persons, such as the incentive to activity and good conduct, which pensions in all Departments are supposed to give, but it is not necessary to enumerate them.

I would therefore propose, that to certain classes of servants on the Government House establishment, pensions should be allotted as in list B.

Should pensions be given elsewhere to any of the classes in list A, whom I have not recommended, to Moochees for instance, I would beg to submit that the same consideration should be shown to ours.

No. 68. From Captain J. MITCHELL, Officer in charge of the Government Central Museum; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Madras, 3rd March 1863, No. 19.

I have the honor to annex a Return of servants attached to the Government Central Museum who are in receipt of more than Rupees 10 per mensem, but are not entitled to pension.

2. My reason for recommending these individuals for the benefit of the pension rules is that they are most useful public servants, trained to a special employment; that it would not be easy to replace them, and I therefore consider they should receive every encouragement Government can afford them.

(Signed) G. W. Y. SIMPSON, Colonel,
Inspector General of Ordnance and Magazines.

To the Chief Secretary to Government, Public Department.

No. 70. From H. A. MANGLES, Esq., Officiating Civil Paymaster; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated 14th February 1863, No. 59.

With reference to the Proceedings of Government, No. 90, dated 9th instant, Financial Department, I have the honor to state that the paper sorters on this establishment appear to me to be deserving of admission to the benefits of the Superannuation Pension Rules.

2. The duty is one connected with the Record Department, in which the men are employed in picking and arranging papers and in furnishing the office with whatever documents are wanted from the Record-room. It requires the possession of abilities on an average with those of the lower classes of Clerks, and as these latter, if receiving more than 10 Rupees a month, are entitled to pension, there does not seem to be any reasonable ground for their exclusion.

3. There are two men now holding situations of this kind in this office on Rupees 12 and 16.

No. 71. From E. B. POWELL, Esq., Director of Public Instruction; to the Chief Secretary to Government, Fort Saint George, dated Madras, 27th February 1863, No. 393.

I have the honor to reply to Order of Government, No. 54 of the 17th instant, desiring me to furnish a return of the classes of Uncovenanted Servants in the Educational Deparment, whom I would propose to bring within the operation of the Pension Rules, and to state fully and clearly the grounds of my recommendation in each case.

2. As I understand from the language of the Resolution of the Government of India, Financial Department, No. 1,422G, of the 24th December 1862, that the recommendations I may make should refer solely to servants "who draw more than 10 Rupees per mensem, but are ineligible for pension on the Rules of the 4th January 1831," the only persons whose claims I have to consider are Moochies and the Curator of Government Books at the Presidency town.

3. With reference to Moochies, I regard their occupation as so purely mechanical that, as long as any exceptions are made to the grant of a pension, I cannot recommend their being included among Officers eligible for that boon.

4. As regards the Curator of Government Books, there is some difficulty in deciding upon a recommendation. The Curator is at present an Officer of the Staff Corps; and, while this arrangement lasts, I see no reason for bringing the Curatorship under the Pension Rules. If however the office were to be held by an ordinary Uncovenanted Servant, it would, in my opinion, be most advisable that he should be declared eligible for pension, indeed I hold that the measure would be absolutely requisite with a view to securing the services of a thoroughly trustworthy person. Here I must remark that I hope the Educational Department will before the lapse of very many years be able to disengage itself from work which, under ordinary circumstances, ought to be left to private enterprize. As yet however the demand for books is not sufficient, neither are the means of communication good enough, to make it worth the while of a bookseller to take the District Book Depôts off our hands.

5. Looking then at what is likely to be the state of things for some time to come, and at the possibility of an Uncovenanted Servant becoming the Curator, I beg to recommend that the Curator of Government Books, provided he is an Uncovenanted Officer holding no other Government employ, be brought under the operation of the Pension Rules.

No. 72. From J. J. FRANKLIN, Esq., Superintendent of Marine; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Marine Department, Fort Saint George, dated Madras, 2nd March 1863, No. 622.

I have the honor in obedience to the instructions conveyed in the Proceedings of Government of the 9th ultimo, No. 90, referred to me on the 17th to annex marginally the designation of those servants in the Marine Department not now strictly entitled to retiring pension, whom I would propose should be admitted to the benefits of the pension Rules.

Divers.	Syrangs.
Head Peons.	Tindals.
Signalmen.	Toll Collectors.
Superintendent of Light House.	Pier Boatswains.

2. I am directed to state the grounds of recommendation in each case; but it seems to me that what is applicable to one, is equally so to all. The prospect of a pension in old age must necessarily induce a better class of men to enter the service of Government; and it acts moreover as an incentive to good behaviour.

3. A Government servant not entitled to pension is doubtless frequently retained on an establishment while no longer efficient, simply on account of hardship of dismissing a man without ultimate provision after 30 or 40 years' service.

4. These are the grounds of recommendation which apply to all and I cannot see any reason why a head Peon on 10½ Rupees a month, who has conducted himself to the satisfaction of those under whom he has been serving, should not, when incapable of further work, be dealt with as liberally as a Writer on the same salary.

No. 74. From D. F. CARMICHAEL, Esq., Acting Agent to the Governor; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Vizagapatam, 9th March 1863, No. 73.

In reply to Government Order, Judicial, No. 255 of 19th ultimo, I have the honor to state that I would propose to bring within the Pension Rules all public Officers, drawing more than 10 Rupees a month, in the Judicial, Magisterial, Revenue (including Salt) Treasury, Stamp, Sea Custom, Marine and Printing Departments. My reasons are, 1*st*, because Officers on this salary in those departments are generally put to duties which pre-suppose a certain degree of education or superior intelligence; 2*ndly*, because 10 Rupees has always been the point in Madras at which the line has been drawn, for pension.

2. I would exclude all office servants, such as Peons and Duffadars and attenders, who have nothing to do but to run messages, whether their salary is above or below 10 Rupees.

3. I would include 'Moocheis,' drawing more than Rupees 10; from their belonging to a superior class of handicrafts men.

4. I would omit the Vaccine establishment; their duties being extremely light.

5. These are all the public servants under my control.

Book and Adjustment Department.

With reference to the Order of Government in the Financial Department, No. 90, dated 9th instant, I have the honor to state, that of the several classes of servants therein mentioned, there is only one class, namely Moochees, (known in Bengal as Duftrys) on this establishment, drawing more than ten Rupees each per mensem, not eligible to pension under the existing Rules of the 4th January 1831. This class of servants, I beg to propose, may be brought within the operation of the Pension Rules, as I see no reason why they should be debarred from the benefit, provided they serve efficiently and faithfully, like other servants of Government, now eligible to pension.

No. 80. ORDER THEREON, 21st October 1863, No. 680.

The Governor in Council has considered the recommendations submitted in the foregoing letters in behalf of public servants drawing more than 10 Rupees a month in grades not eligible to pension under the Rules of the 4th January 1831, and he is of opinion that the following classes should from the nature of their services be admitted to the benefit of the Pension Rules:—
