No. 75. Read the following letter from G. J. SHAW, Esq., M.D., Acting Mint Master; to the Chief Secretary to Government, Fort Saint George, dated Mint, 30th October 1863, No. 213.

I have the honor to forward copy of letter from Mr. G. L. Scott, Founder and Moulder, notifying the expiration of his engagement with Her Majesty's Government of India as required in his Indenture, and requesting that a passage may be provided for him to return to Europe on the completion of the period for which he has contracted to serve.

Enclosure 1.

2. I find that Mr. Scott is mistaken as to the date, which appears to be the 27th of April instead of 12th September 1864, on which he will have completed the term of five years, and he is desirous to be allowed to proceed to Europe, on the former date, in consequence of private affairs which require his presence. He would, however, be willing to return at the expiration of a year, if circumstances permitted him to do so.

3. It is only due to Mr. Scott to say that he has rendered important services in establishing the Iron Foundry at the Mint, and training the East Indian lads to become skilful workmen, and the departure of so steady and useful a person, is a great loss to the establishment.

4. I hope that it will be found practicable to make arrangements for carrying on the work by selecting the best of the trained Apprentices, and I have the honor to request the instructions of Government on this point, and as regards a renewal of Mr. Scott's engagement, should he be willing to return to India.

From Mr. G. L. SCOTT; to Dr. G. J. SHAW, Acting Mint Master, dated Saturday, 12th September 1863.

I hereby give notice of my desire to terminate my engagement with Her Majesty's Government of India, at the expiration of twelve months from this date.

I also beg to be provided with the first available passage to England after the expiration of the above period agreeably to the terms of my covenant.

(True Copy.)

(Signed) G. J. SHAW,
Acting Mint Master.

No. 76. ORDER THEREON, 25th November 1863, No. 755.

Under the circumstances represented in the foregoing letter, the Governor in Council will permit Mr. G. L. Scott, Founder and Moulder at the Mint, to return to Europe on the 27th April next, on which date he will have completed the period of service specified in his contract. Mr. Scott will be provided with a passage.

2. Adverting to the very favorable opinion expressed by Dr. Shaw of Mr. Scott's services, which, it has been ascertained, has the full concurrence of the late Mint Master, Colonel Orr, the Governor in Council will suggest to the Secretary of State the expediency of renewing Mr. Scott's engagement, should he be disposed to return to India.

3. Lieutenant Colonel Carpendale having now assumed charge of the Mint, will ascertain from Colonel Orr what arrangement he would recommend for the performance of the duties now devolving on Mr. Scott, and will submit a proposal for the consideration of Government.
