It is shewn, in the foregoing papers, that there exists an unadjusted demand against Captain G. Hearn, of the Staff Corps, Deputy Inspector General of Mofussil Police, who has proceeded to England on Medical Certificate, of sums over-drawn in the Military Department, between April and September 1861, amounting to Rupees 280-15. It is also reported that there are Rupees 164-1-7, arising from over-deductions made from him on account of Income Tax and subscriptions to Military, Band, and Mess Funds, standing at his credit. The Governor in Council directs that the latter amount be applied to the reduction of the demand referred to, and that the Right Honorable the Secretary of State be requested to recover the balance due, *viz.*, Rs. 116-13-5.

It was therefore the duty of the Presidency Paymaster to have taken the necessary steps, with a view to the demand in question being recovered through the Civil Paymaster, and having failed to do so, the responsibility will rest upon him until the amount due is recovered from Captain Hearn.
