Read Endorsement from the Home Department, No. 4,504, dated the 25th August 1862, forwarding for favorable consideration a recommendation from the Chief Commissioner of British Burmah, that a Superintendent of Police acting for another in a higher grade may be permitted to draw deputation allowance.

Resolution.—The rule which, in those Departments of administration where appointments of the same class and title are sub-divided into grades of different rank and pay, prohibits the grant of deputation allowance to an Officer acting in a higher grade of his own class was originally introduced, His Excellency the Governor General in Council observes, to meet the cases of Deputy and Assistant Commissioners in non-regulation Provinces, and, in the absence of any special Rule, it has been hitherto made applicable to District Superintendents, and Assistant Superintendents of Police. But, considering the superior salaries and prospects of Deputy and Assistant Commissioners, and the hardships which generally attend the application of the class Rule to Police Officers, His Excellency in Council is pleased to decide that all Superintendents and Assistant Superintendents of Police, when acting in higher grades of the class to which they may in their substantive appointments belong, shall receive deputation allowance.

2. In continuation of this subject, His Excellency in Council is hereby pleased to direct that in all Presidencies and Provinces to which Act V of 1861 has been extended the same Rule of limitation shall be observed which, by Resolution, dated 30th September last, was laid down for Oude, viz., that the allowances of an Assistant Superintendent of Police acting for a Superintendent shall in no case be allowed to exceed the salary of a Superintendent of the lowest grade.

Letter from the Honorary Secretary to the Committee of Secretaries, dated the 19th July 1862.

Proceedings of the Madras Government, Financial Department,
3rd February 1863.

Resolution.—The Chief Commissioner of Oude represents that when an Assistant Superintendent of District Police in that Province is appointed to officiate for a Superintendent of the first or second grade, he sometimes draws, under existing Rules, a deputation allowance which raises his total emoluments above those of third or fourth grade Superintendents.

His Excellency the Governor General in Council observes that, as the grades of salaries in the Oude Police are personal, not local, an Assistant Superintendent on his first promotion to a superintendency, would receive no more than the salary attached to the lowest grade. To allow him to draw a higher salary when only officiating as Superintendent, would be anomalous, and would place the permanent Superintendents in lower grades in a disadvantageous position.

His Excellency in Council is therefore pleased to direct that the allowances of an Assistant Superintendent of Police in Oude, appointed to officiate as Superintendent, shall not exceed the salary attached to the lowest grade of Superintendent.

Ordered, that a copy of the foregoing Resolution be forwarded to the Home Department, for information and further orders, in continuation of endorsement from this Department, No. 3,860, dated the 5th June 1862.

Ordered, also, that a copy of the foregoing Resolution be forwarded, for information and guidance, to the Civil Paymaster, North-Western Provinces.
