Proceedings of the Madras Government, Financial Department, 12th December 1863.

No. 52. Read the following letter from R. W. LODWICK, Esq., Acting Deputy Auditor and Accountant General, Madras; to the Chief Secretary to the Government of Madras, dated 11th December 1863, No. 290.

I have the honor with reference to Supreme Government Telegram, dated 10th instant, copy of which is sent to state that I consider it advisable to call on the Secretary and Treasurer of the Bank to give 10 lacs out of 20 lacs of paper which the Bank hold on account of Government, as I see no other way of putting myself in possession of sufficient specie to meet the wants of Mr. Birch.

2. I further recommend that a notice should appear in the Government Gazette to the effect that for the next fortnight tenderers may send in their tenders for Bills *daily*, as I hope by this means to bring in a large amount of coin at a cheap rate.

3. The result of these proceedings will be that I shall within a month's time be able to give Mr. Birch the full 40 lacs as under: —

Uncoined 8 lacs from the Mint.....	8
Specie remittances from the Mofussil.....	14
Now in the Bank.....	5
Out of the Government Securities.....	10
To be made by daily Bill-days.....	3
	40

4. I respectfully request that I may be informed whether these proceedings may be carried out.

From the Financial Secretary, Calcutta, Bengal; to the Acting Deputy Auditor and Accountant General, Madras, dated 10th December 1863.

You are not to take any thing from the reserve of coin in the Currency Department. Send the forty lacs to Bombay as soon as you can safely take it from the Government balance.
