Proceedings of the Madras Government, Financial Department, 19*th December* 1863.

No. 88. Read the following Proceedings of the Board of Revenue, dated 17th December 1863.

Read Proceedings of the Madras Government, Financial Department, dated 4th December 1863, No. 785.

(In Consultation 9th December 1863, No. 7947.)

The Board have carefully considered the question, and they see no sufficient reason why if proper arrangements are maintained the Treasury Accounts should not be despatched from every District to the Accountant General on the 10th of the month following that to which the accounts relate. The Board will, however, call upon all Collectors to report what has been the actual date of despatch in each month of the past year 1863, and to explain why greater expedition has not been attained.
