No. 94. Read the following letter from Lieutenant Colonel J. CARPENDALE, R. E., Mint Master; to the Chief Secretary to Government, Fort Saint George, dated 14th December 1863, No. 318.

1. I have the honor to submit the enclosed Supplemental Budget Estimate for an increase of Rupees 15,000 required for coinage expenses during the current official year, and to request that you will be good enough to obtain the sanction of Government for it.

2. In the Budget Estimate for 1863-64, provision was made for a coinage of 50,00,000 of Silver and 12,00,000 Rupees value of Copper coin, but the actual remittances from the Mint to the Bank of Madras for the past seven months has amounted to 56,20,622 of Silver and 11,03,550 Rupees value of Copper coin, and as the demand for Copper coin is still great and 40 lacs more of Silver Bullion is to be received for coinage from Bombay, it is very necessary that the amount now applied for should be made available for the Mint expenditure.

Referred to the Civil Paymaster for report whether the additional charge cannot be met from savings.
