Proceedings of the Madras Government, Financial Department,
23rd December 1863.

No. 101. Read the following letter from R. W. LODWICK, Esq., Acting Deputy Auditor and Accountant General; to the Chief Secretary to the Government of Madras, dated 19th December 1863, No. 303.

I have the honor, with reference to Government Order, No. 811, dated 15th instant, to state for the information of His Excellency the Governor in Council that the Mint Master has informed me on my putting the question to him that he has no balance of Copper available to draw upon, for the supply ordered to be made to the Commissioner of Mysore.

2. As 40 lakhs of bullion are expected in immediately and require to be worked into coin forthwith, and the Mint is further engaged during extra hours on the uncoined silver in its vaults which work cannot, under the present pressure from Bombay, be put a stop to, I respectfully beg to submit for consideration whether it would not be advisable to instruct me to send the Commissioner of Mysore what he requires out of the supply of Copper in hand in the Bank instead of making the remittance in the manner indicated in the Government Resolution.

No. 102. ORDER THEREON, 23rd December 1863, No. 832.

Under the circumstances represented, the Deputy Auditor and Accountant General is authorized to adopt the course proposed by him for the supply of Copper Coin to the Commissioner of Mysore.

Chief Secretary.
