

*Proceedings of the Madras Government, Financial Department,
18th January 1864.*

No. 68. Read the following letter from Lieutenant-Colonel J. CARPENDALE, R. E., Mint Master ; to the Chief Secretary to Government, Fort Saint George, dated Mint, 12th January 1864, No. 365.

Adverting to Order of Government, No. 755, 25th November 1863, paragraph 3, which directs me to submit for consideration arrangements for the performance of Mr. G. Scott's duty as Moulder and Founder on his departure to Europe, I have the honor to propose that, as no properly qualified person is obtainable in Madras to succeed Mr. Scott, Mr. G. Clarke, the Pattern maker, may be appointed to the charge of the Foundry temporarily in addition to his own duty with Mr. L. Pereira as his Assistant and acting immediately under his orders. L. Pereira is at present styled Apprentice, but he has had nine years' experience in the Mint Foundry. Mr. Scott has taken great pains in teaching him, and he has a very good knowledge of the business.

2. To remunerate Mr. Clarke and L. Pereira for the extra trouble and responsibility, I beg to recommend that one-half of Mr. Scott's forfeited salary may be made available, viz., Rupees 166 monthly, of which I propose Rupees 111, or in round numbers one-third of Mr. Scott's whole salary, may be given to Mr. Clarke as extra pay, and the remaining portion of the moiety, or Rupees 55 monthly to be given to L. Pereira as extra pay. The salary of the latter is at present 30 Rupees a month.

3. I make this proposal with Colonel Orr's full concurrence, being the arrangement that he would have recommended if he had remained in the Mint.

No. 69. ORDER THEREON, 18th January 1864, No. 47.

The Governor in Council sanctions the arrangements recommended in the foregoing letter, for the performance of the duties hitherto performed by Mr. Scott as Founder and Moulder at the Mint.

(Signed) A. J. ARBUTHNOT,
Chief Secretary.
