*Proceedings of the Madras Government, Financial Department,
2nd February 1864.*

No. 10. Read the following letter from R. W. LODWICK, Esq., Civil Paymaster, Fort Saint George; to the Chief Secretary to Government, Fort Saint George, dated 22nd January 1864, No. 24.

Arrears Department.

I have the honor, with reference to the accompanying letter, No. 71, dated 16th December 1863, from the Deputy Collector of Kurnool, to request the orders of Government upon the following point:—In what manner is the outstanding item* of Rupees 342-9-3 to be adjusted in the accounts of the Kurnool District?

Enclosures 4.
1 Letter and 3 accompaniments.

* No. 116.

2. From the "replies" which also accompany this letter, it will be seen that the Collector was requested on 17th December 1859 to take early steps to recover that sum from Captain Gill, and that up to this time nothing seems to have been done in the matter.

3. In the present Deputy Collector's letter to the Acting Deputy Auditor and Accountant General, Madras, dated 30th November last, No. 84, which also accompanies this, he explains his course of procedure, and it only remains for me to state that, as far as I can ascertain, Captain (then Major) Gill retired in Europe in 1861, whither he had gone prior to the issue of the retrenchment by this office.

4. I have the honor to request that the accompanying papers may be returned with the orders of Government.

No. 11.

ORDER THEREON, 2nd February 1864, No. 81.

The first paragraph of the foregoing letter will be referred for the report of the Deputy Auditor and Accountant General, with the remark that as the amount seems to be irrecoverable, it must apparently be written off the accounts.

2. The Civil Paymaster is requested to explain the cause of the delay in issuing the retrenchment referred to. It is observed that the moiety of Civil allowance paid to Captain C. Gill, Acting Assistant Commissioner, was for the period "from 25th November 1854 to 7th March 1855," and the sum over-drawn, Rupees 342-9-3, was not retrenched by the Audit Office until December 1859, or about *four years and nine months* after the payment was made.

3. The Collector of Kurnool will also be called upon to explain fully the cause of the great delay in replying to the above retrenchment. The Acting Deputy Collector's explanation was furnished only on the 30th November last, or nearly *four years* after the retrenchment was issued. The Collector will at the same time state who is responsible for this gross neglect.

Chief Secretary.
