Proceedings of the Madras Government, Financial Department, 16*th February* 1864.

No. 49. Proceedings of Government, dated 16th February 1864, No. 112.

In the Proceedings of Government in the Military Department, dated 7th October 1862, No. 3454, the additional allowance of Rupees 125 per mensem, accorded by the Secretary of State for India to Honorary Assistant Surgeon S. Mason, was directed to be disbursed to him from the 30th September 1862, the date of receipt of the Despatch.

2. In reply to an inquiry from this Department, the Acting Deputy Auditor and Accountant General reported that the above-mentioned allowance could not be met from any savings in the Budget Estimate for 1862-63, and requested that Treasury Orders might be issued for the same, to be adjusted on the receipt of the sanction of the Government of India to the Statement which he had been called upon to furnish, showing the expenditure sanctioned subsequent to the submission of the Budget Estimates for 1862-63, and in which the allowance in question would be entered. Treasury Orders have accordingly been issued from that period.

3. The Acting Deputy Auditor and Accountant General is now requested to state whether the sanction of the Government of India to the Statement above referred to has been received; and if so, what steps have been taken for the adjustment of the advances made from the Treasury. He will also state whether provision has been made for the additional allowance in the Budget Estimate for the current official year; and if not, he will after communication with the Civil Paymaster, indicate the source from which it can be met, or the mode in which the advances on that account should be adjusted. Should the allowance in question have been omitted in the Budget Estimate, the Principal Inspector General, Medical Department, to whom the sanction of the Home Government was originally communicated, will explain the cause of the omission.
